*Please note that there will be no Casual for a Cause dates in September or January. (We will be having other Out of Dress Code days to celebrate Kindness Week in September and Catholic Schools Week in late January.)

Casual 4 A Cause gives students the opportunity to wear out-of-dress code clothes and to help others. Children can wear out of dress code tops, bottoms and hats for \$1 each. Monies raised are donated to the causes listed above. If students are not participating they should be in dress code. There will be a total of 6 Casual 4 A Cause days this year. If you would like to pay in advance for the year, it will cost \$18.00 per child for the year to wear all three out of dress code items or \$12.00 for the year to wear two out of dress code items.

*All donations that are given to research foundations are being given to those foundations who support Catholic beliefs and teachings.
