Please write in your choice of English and Theology. Unless students took additional Theology courses their junior year, they will need to choose two Theology courses (0.5 credits each) to meet the 4 credit graduation requirement.

| Department | Course Title | Credit Value |
|-------------------------|--|--------------|
| English | | 1.00 |
| Theology | | 0.5 |
| | | 0.5 |
| Social Studies | American Government | 1.00 |
| | AP US Government and Politics | 1.00 |
| Business and Info Tech. | Personal Finance (if did not take junior year) | 0.50 |

You must have a total of **8 credits**. Please add your choice of electives courses below in order of priority. It is possible that the courses you prefer may not be available or fit into your schedule, so please choose 3-4 "alternate" courses.

IMPORTANT NOTES FROM COUNSELING:

- ★ Math and Science are very important to continue in your senior year.
- ★ Colleges and universities do not like to see a gap in these subject areas!
- ★ Your senior schedule needs to be all about BALANCE.
 - If Ms. McDermott is concerned about how your schedule will be perceived by college admission counselors, she will work with you to make the appropriate changes.
