Welcome to Lourdes Summer Care! We are excited to jump into another fun filled summer with lots of activities to beat the heat. This year we will be splashing around at South Park, making craft projects, playing games, having movie and popcorn Fridays and much more! With so many activities, you need to know what to bring along!

Summer Care Survival Kit:

- Sunblock (LABELED)
- Sneakers (Please no open toe sandals, flip flops or crocs)
- Water Bottle (LABELED)
- Hat
- Books (for quiet time)
- Swimsuit (LABELED)
- Towel
- Pillow and Blanket
- Change of Clothes (LABELED) - Backpack (for preschool nappers only)

Lunch: Please send a cold lunch with beverage with your child as it will not be provided. Please no soda. We will have a refrigerator available, please limit cooking to microwave reheating only.

Field Trips: This year we hope to go on a variety of field trips. Places like South Park playground and splash pad, Menominee park and zoo and more! Please fill out and return the general permission slip, allowing your child to walk and/or ride the city bus with the leaders to and from these locations and to ride a school bus for the longer, larger field trips. More information on those will be emailed out to you as they are planned. Please note some field trips have an additional cost separate from the base summer care costs. If the additional cost is a difficulty for your family please do not hesitate to contact me privately to discuss, we don't want anyone not being able to participate because of cost.

Water Day: Once a week we will go to the South Park splash pad for some water fun!! More details to come!

Schedule: M-F, 7AM-6PM Please make plans/arrangements to pick up your child before 6:00 PM
Late fees will be added for out-of-hours attendance. For any changes to your schedule of attendance, we ask to be notified by phone or email at least 24 hours in advance. Thank you!

We look forward to seeing everyone on June 8th for the start of Summer Care '26!
If you have any questions, please don't hesitate to contact me!
