Principal's Note

Dear Parents,

Mission Statement Review

St. Stanislaus School is accredited under the Michigan Non-Public School Accreditation Association (MNSAA). Part of this process is an annual review by all stakeholders of the mission statement.

St. Stanislaus School and community are dedicated to academic excellence fostering faith and hope in Jesus and Eucharistic love in spirit, mind and body of every learner.

If you have any questions about this process, how decisions are made, or the mission statement itself, please contact the school office and we would love to meet and discuss it with you!
