Solemnity of The Most Holy Body and Blood of Christ Sunday, June 19, 2022

KEEPING IN TOUCH

This weekend, we celebrate the Solemnity of the Most Holy Body and Blood of Jesus. This is indeed a great feast. In the Solemnity we recall how Jesus gave us his very Body and Blood as food for our journey. We know and believe that at Mass the bread and wine actually become the Body and Blood of Jesus. This great reality is not always understood or appreciated by many. To this end the bishop's of the United States are inviting us to enter into three years of Eucharistic Amazement. This first year which begins on this feast, is focused at the diocesan level. Beginning next year at this feast, the focus will be at the parish level and the final year will be at the national level. I encourage all of you to join me, our diocese and Catholics throughout the United States as we enter into these days of growing in Eucharistic Amazement.

(Last Week's column)

In the life of a priest, you never know what surprises await you ... some good and some not so good. I want to share with you this week one of those good surprises that happened to me a couple of weeks ago.

I was just arriving home after a long day of meetings and office work at the chancery when my phone rang. It was one of my secretaries from the chancery. A priest had a situation that he needed to consult with me about. In a nutshell, the priest had a wedding scheduled for the next day and the couple showed up to the wedding rehearsal with a marriage license from Missouri. What could he do? After putting forward a few ideas, the best solution to this problem was to arrange to do the wedding that night in a Missouri Church. Being the one that approves marriages here in the Archdiocese, I called my counterpart in the Diocese of Kansas City-St Joseph to get his permission for a wedding to take place in their diocese that night and to find a Church that would welcome us. To spare you all the canonical issues and to make a long story short, I ended up having to do the wedding that night in a Missouri parish. From the first call about this until I was in the Church doing the wedding, one and a half hours had passed. It was a great celebration! In the life of a priest, you never know what awaits you!

Blessings

Fr. Joseph

Brothers and sisters: I have received from the Lord what I also handed on to you, that the Lord Jesus, on the night he was handed over, took bread, and after he had given thanks, broke it and said, "This is my body that is for you. Do this in remembrance of me." In the same way also the cup, after supper, saying, "This cup is the new covenant in my blood. Do this, as often as you drink it, in remembrance of me." For as often as you eat this bread and drink the cup, you proclaim the death of the Lord until he comes.

"Let us praise those men who have "fathered" us in their role as mentors and guides. Let us praise those men who are about to become fathers; may they openly delight in their children. And let us praise those fathers who have died, but live on in our memory and whose love continues to nurture us."
