11/21/24

Yesterday:

Build letters:

The children used different size popsicle sticks to build the letters of the alphabet.

ABC search:

The children search through "Turkey" feathers for the letters of the alphabet (upper-case). They were encouraged to match the letter they found to the same letter (upper-case) on the turkey mat.

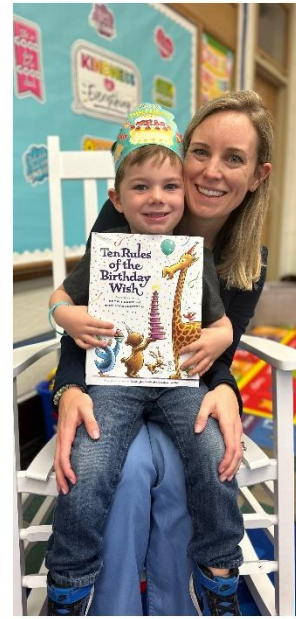

We celebrated Jack's 4th birthday yesterday. Thank you to Jack's mom for coming in to read to the class.
