

Saint John Neumann Parish Library

Come check out our SJN Parish Library!

We invite you to come and see our new space whether you have only a few minutes to peruse the shelves or a little longer to sit and read or have a conversation with someone. The chart on the side of the bookcase (see below) will help you to categorically find where to look. Please note that we have books from *Dynamic Catholic's Parish Book Program* (top 2 shelves of first bookcase) for you to take home for yourself or to give to someone to aid in their faith journey as you live out your [baptismal call to be](#) priest, prophet & king (CCC783-786) sharing the good news of God. Books on the third shelf of first bookcase are for you to use for a group study and return for others to do the same. There are various translations (e.g. NAB, NRSV, St Joseph) of the Bible, catechisms, books on the Saints (collections as well as individuals), Mary & several of her apparitions, purgatory, exorcism, grief, Popes, Bible studies, and much more. And the bottom two shelves of the third & fourth bookcases are all children's books including various Bibles, Bible stories, and other great content!

We hope you will choose to make good use of this space and the books which you are welcome to borrow, just be sure to return those that are not part of the *parish book program* so others can also enjoy them.
