New Year

Dear Parents/Guardians,

It is so good to be back and see our students' happy faces. Although it is always good to be with the family, I look forward to being back and continuing the work. When I walked around the school to say hello to everyone on my first day back, I walked into the kindergarten classroom and one of the students said, "Finally, where have you been?!" I am glad that someone keeps tabs on me.

Tonight after a long break, our PTG is hosting the **Pasta Dinner!** We are so looking forward to seeing everyone and being with our parish and school community. I hope to see you there, and please come hungry.

This Sunday we are kicking off our annual **Catholic Schools Week**. Join us in the **Holy Mass celebration at 11:00AM** at St. Bede Church followed by School **Open House from 12:00 until 2:00PM**. We invite parishioners, current families and prospective families to see what St. Bede offers our students. Looking forward to seeing you.

Catholic Schools Week is a busy week for all our students. Each day we have planned something special for them. Please see the [attached schedule](#). Also this year we brought back the Scholastic Book Fair. There is a nice selection of books so each student can find something interesting to read.

Thanks to Mrs. Brown who organized this sale and all volunteers who will come and help next week.

We **really need your help** with recesses and lunches. I am appealing to all parents - including our middle school and junior high. We have significant help from younger parents and it is very unfortunate that older kids' parents do not volunteer. Please see the link below and consider coming and helping at least one day. We are going outside for recess so please make sure that your child is dressed appropriately.

- JV boys: 4:00
- Varsity boys: 5:15

Have a blessed week!
