### MEDITATION –

During a day of reflection some years ago, participants were asked to recall an experience that represented for them an image of the Holy Spirit. For me, that experience was singing in a choir, especially in those rare and magical moments when all the individual voices blend in perfect harmony. Others, too, spoke of encountering the Spirit in experiences of unity or connectedness.

The Spirit of unity celebrated in today's readings is at the same time, however, the Spirit of diversity. The Pentecost flames hover separately over each individual present. The onlookers outside do not suddenly all speak the same language; rather, each hears the message in his or her own tongue. The "variety of gifts" of which Paul speaks is all part of the "same Spirit" but retain their individual character.

Today we are challenged to value and celebrate diversity, especially when we are tempted to ignore or to fear those who are 'different.'

The rich harmonies of a choir depend on the many different voices of its members sounding together while retaining their individual quality. Let us pray for the wisdom to recognize and celebrate the diverse gifts of each person we encounter, that together in the one Spirit we may help to "renew the face of the earth."

## SPECIAL ANNIVERSARIES

In 2017 we as a parish family will celebrate our 175<sup>th</sup> Anniversary! Also, our parish church will be 150 years young.

We are in the process of forming a committee to prepare for these celebrations.

We will invite your participation for various "Fun –raising events before we arrive at some more serious matters (e.g.) we are organizing a 9 hole golf tournament followed by food on Sunday, September 27<sup>th</sup> (see the other note for details). If you would like to assist in this event, please call the parish office.

We are blessed by the fact that Pope Francis has called for a Year of Mercy beginning December 8<sup>th</sup>, 2015. This Spiritual year will lay the Spiritual groundwork for our Anniversaries.

Imagine, 175 years of mercy to be celebrated in 2017.
