THE HEROES OF HOPE FOR MAY ARE CATHOLIC EDUCATORS!

Catholic educators are dedicated to promoting Catholic values and fostering the spiritual growth of their students. Through a well-developed pedagogy, they address students' academic, spiritual, and moral learning needs. Catholic Trustees oversee policies and procedures that guide the school boards in their operations. Chaplains play a vital role in fostering the spiritual growth of students and staff. Administrative and support staff foster a holistic environment for students, providing specialized support for learners with special needs and ensure all students have access to the resources they need to thrive! What a blessing!

THE DIOCESAN YOUTH OFFICE has contacted parishes, inviting those working with young people to gather for synodal-style "conversations in the Spirit". These conversations will continue the work of Forward Together in Christ and will be focusing on the accompaniment of young people in our parish communities. They will reflect on how we can best support them in their journey with Christ.

WELCOME TO BISHOP MICHAEL BREHL, Bishop of Pembroke, who is the preacher of this year's first retreat for Priests serving in the Diocese of Hamilton. Prior to becoming Bishop of Pembroke, he was Superior General of the Congregation of the Most Holy Redeemer (Redemptorists). During his tenure he visited more than 80 countries served by the international community! His world-view is second-to-none! The retreat begins on Monday, May 19th, and continues through May 23rd. Archbishop Peter Hundt, Archbishop of St. John's will be the retreat preacher for our second offering in August. We are blessed to have such fine directors for our retreats!
