nor does a rotten tree bear good fruit.  
For every tree is known by its own fruit.

St. John's will host four small group discussion sessions to reflect on the ongoing importance of this message and its continued relevance for evangelization within the Black community and broader Catholic Church today. Each member of St. John's is called to action in this pastoral letter to share our gifts and opportunities for evangelization. The small group discussion sessions offer a wonderful opportunity for our entire church to grow in faith and share the blessings God has bestowed upon us.

The sessions will take place on:  
**March 10 · 7:00 pm – 8:15 pm**
