

HERE’S WHAT PEOPLE
ARE SAYING ABOUT
MOTHER OF PROVIDENCE...

“The school is a warm, friendly and engaging place - It is a pleasure to interact with the teachers and administrators. It is a excellent learning environment and a wonderful place for children to increase their academic knowledge but increase their emotional and social intelligence as well.”

“The classrooms are equipped for teaching and learning, (with) qualified teachers in every classroom (and) strong school leadership.”

“The staff is beyond ideal. Everything from teaching, accessible, friendly, & informative - everything I could want & need in the faculty for my child is there. The quality of education my child is receiving, both religious & academic are both excellent. The atmosphere created by staff & students is amazing. I love that my child loves everything about going to school everyday. The school community has become like a second family to us.”
