

ACADEMY of  
**NOTRE DAME**  
de NAMUR

Greetings from the Academy of Notre Dame!

We hope your school community enjoyed a wonderful summer and is looking forward to a safe and rewarding academic year.

The Academy of Notre Dame de Namur is an all-girls Catholic, independent, college preparatory school located on 39 acres in Villanova, PA. Our Admissions Team has spent this summer preparing to welcome young women to apply for the 2024-2025 school year as they continue their journey into Upper School. To make the application process as seamless as possible for your students and their families, we have enclosed a small poster and magnet that share key dates and details to guide your students throughout this process. **We would be deeply grateful if your team could find an appropriate student-centered spot to post these items at your school.**

**The Notre Dame Admissions process proudly features:**

- *Digital application with no application fee*
- *Four on-campus fall Entrance Exam dates: HSPT and ISEE options*
- *Automatic consideration of all applicants for Merit Scholarships*
- *Numerous Specialty Scholarship opportunities including STEM, Global Citizen, Dance, Music, Visual Arts, and our mission-based St. Julie Scholarship*
- *Need-based Tuition Assistance program*
- *ND provided transportation options in addition to school district busing*
- *Customized Student Visiting Days throughout the fall and early winter*
- *Admission decision in early December*

Please do not hesitate to contact us with questions or if you are interested in a campus tour. We encourage you to visit us at [ndapa.org](https://ndapa.org) for more details and updates throughout the school year. We look forward to sharing the Notre Dame experience with you and your families.

With gratitude,

Mary Davis '11  
Admissions Associate
