

Our Mission:

Mother of Providence Regional Catholic School educates students' minds, nurtures their hearts, and prepares them to be faith-filled members of our diverse local and global communities. Dedicated and experienced teachers, committed to their vocation, create a dynamic learning environment that challenges students to reach their full potential. Parents invest time, treasure, and talent to support the academic goals, further the values and beliefs rooted in the Gospel, and promote Catholic social teaching. Students flourish within the intimate atmosphere where their unique gifts are identified and nurtured. Every student goes forth empowered with the gift of knowledge that lasts a lifetime.
