Eucharistic Revival Diocese of Cleveland

The Eucharistic Miracles Display

is a traveling museum-like exhibition
featuring Eucharistic Miracles
as chronicled by Blessed Carlo Acutis (1991-2006).

Blessed Carlo was a teenager from Italy who developed a website dedicated to the documented and scientifically scrutinized occasions when the Holy Eucharist changed in its physical appearance, reminding us that the bread and wine of the Mass truly become the Body and Blood of our Lord Jesus Christ.

We are grateful to the faith community of SS. Cosmas and Damian Parish for generously investing their time, treasure, and talent into creating this exhibition.
