New Jersey State Council Fraternal Giving Campaign

September 15, 2025

My Brother Knights,

We hope you had a wonderful summer spending time with family, friends and of course your Brother Knights. Though the summer is over, the work of the Knights of Columbus continues.

We would like to express our sincerest gratitude for your donations and contributions to those in need throughout NJ and the world. Repeatedly you have responded positively to calls for help, most recently for the flooding in Kerrville, Texas where we have collected more than \$18,500.00 in donations to date. Your response demonstrates our love for one another and meeting the needs of families and communities experiencing hardship.

So once again we need your help to continue to be there to provide the assistance that so many of our current communities, Parishes, brothers and their families all too often need. Through your generosity, and that of your brother Knights, last year we were able to provide over \$63,000.00 to those in need of our help.

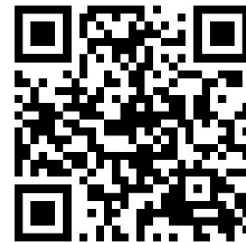

We are reaching out to ask for your participation and support. We are currently involved in our annual charitable project, the **New Jersey State Council Fraternal Giving Campaign**, and we seek donations to support our cause.

Your contribution, no matter the amount, will make a significant difference. With your help, we can support Brother New Jersey Knights through the Fraternal Assistance program, Catholic Charities in all dioceses, women's centers, food banks, shelters, etc. Your donation will support, aid, and promote all these worthy causes through requests made of the NJ State Council.

Please submit the bottom portion of this letter with your donation. Make checks payable to "New Jersey State Council Knights of Columbus" with the memo "Fraternal Giving."

Please mail checks to:
