Concussion Information Sheet

A concussion is a brain injury. Concussions are caused by a bump or blow to the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

If your child has experienced a bump or blow to the head during an athletic activity, look for any of the following signs and symptoms of a concussion:

Signs Observed by Parents or Guardians

- Appears dazed or stunned
- Is confused about the assignment or position
- Forgets an instruction
- Is unsure of the game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can’t recall events prior to hit or fall
- Can’t recall events after hit or fall

Symptoms Reported by Athlete

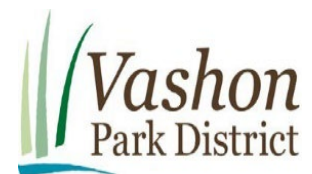

- Headache or “pressure” in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Does not “feel right”

HOW CAN YOU HELP PREVENT A CONCUSSION AND WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

- Ensure that they follow their coach’s/Adults’ rules for safety and the rules/code of the sport.
- Encourage them to practice good sportsmanship at all times.
- Make sure they wear the right protective equipment for their activity (such as helmets, padding, shin guards, and eye and mouth guards). Protective equipment should fit properly, be well maintained, and be worn consistently and correctly. Learn the signs and symptoms of a concussion.

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?

- Seek medical attention right away. A healthcare professional will be able to decide how serious the concussion is and when it is safe for your child to return to sports.
- Keep your child out of play. Concussions take time to heal. Don’t let your child return to play until a healthcare professional says it’s OK. Children who return to play too soon-while the brain is still healing-risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
- Tell your child’s coach about any recent concussion. Coaches should know if your child has a recent concussion in ANY sport. Your child’s coach may not know about a concussion your child received in another sport or activity unless you tell the coach.

Ski School Bus FAQ Sheet

Is the Ski School bus fee all-inclusive?

No. The fee covers only transportation and ferry costs, which are \$206.99 plus tax. Lift tickets, lessons, and gear are the responsibility of each participant. This fee is based on an estimate of rider numbers to cover trip costs, aiming to keep the program affordable and break even.

Lessons: Discounted ski lessons are available through Ski Masters. You will be sent codes for these once you have registered for the bus. **Space for lessons is limited and they fill up quickly. We cannot offer refunds if you fail to register before lessons fill up. Ski Master's ski and snowboard lesson registration begins September 5th.** <https://skimasters.net/registration>.

Lift Tickets: Lift tickets can be purchased through [The Summit at Snoqualmie](#) and all tickets must be purchased online. Most bus riders opt for the season LTD pass, but day lift tickets are also available. Tickets tend to sell out, so be sure to have your pass before going to the Summit. Single-day lift tickets go on sale in October.

Will my child be supervised at all times?

No. We are only able to provide direct supervision on the bus. We encourage your child to ski with a friend, if possible, as we cannot guarantee direct supervision on the slopes. We will have phone chargers on the bus for kids to charge their devices if needed. Please make sure our contact numbers are on their phones, and they know whom to call.

Can I buy a single trip?

Yes. Single trips are \$50 + tax.

How do I get on the lift?

The bus will arrive at the Summit mid-morning. Ski Masters lessons start at 12:30. We strongly urge you to purchase a season lift pass for ease of use. All single lift tickets must be purchased at the Summit ticket window online before arrival.

What is the schedule?

Ski School dates are on the following Saturdays: January 3, 10, 17, 24, 31, and February 7. If needed (and possible), we will do a makeup trip on either February 21 or 28, 2025.

(All times subject to change – the 2026 WSF Schedule not published at time of registration)

Departures: Vashon - Ski Bus will leave Vashon High School at 8:25 AM. Loading begins at 8:10 AM for the 8:50 AM sailing.

Departures West Seattle - Bus will pick up WS riders at the Fauntleroy Way SW & SW Trenton bus zone, across from the lower Lincoln Park parking lot, closest to the ferry at 9:10 AM. Note: times may change, depending on WSF's winter sailing schedule.

Returns - The bus leaves the Summit at 4:00 PM and will load onto the 5:50 PM boat back to the island. Parents pick up in WS at 5:30 PM, and at VHS at 6:30 PM.

Ski School Bus FAQ Sheet

Where can I get gear?

Participants are responsible for providing their equipment. The Summit at Snoqualmie offers daily and seasonal equipment rentals. See [The Summit's website](#) for more information. Other retailers like Mountain to Sound Outfitters also offer rental packages.

Discount Season Gear Rental

[Mountain to Sound Outfitters in West Seattle](#) will again offer Vashon Ski School participants 10 percent off on-season long ski gear rentals. Please show them your ski school receipt to receive the discount.

The Mountain to Sound annual ski swap is October 25th & 26th, 2025, at the West Seattle VFW Post 2713, located at 3601 SW Alaska Street (across the street from Mountain to Sound Outfitters!) It's a great deal if you are looking to swap or buy gear!

Can I ride home with friends instead of taking the bus?

Maybe. Due to liability issues, we must have written permission from a parent or guardian before morning departure. Chaperones have the final say, and any student who leaves without permission is subject to termination from Ski School without refund.

Is food available?

Food is available at the Summit. Most students bring their lunch, but eating on the bus is not encouraged. The Summit vendors did not accept cash last winter, so please keep this in mind when riding the bus.

Ski School Bus FAQ Sheet

What if I am late getting back to the bus?

The bus is on a strict timetable to meet up with the ferry in West Seattle. Anyone who does not get back to the bus at the designated time will need to ride home in the chase car. In such occurrences, there will not be cell phone privileges, and the aid car drivers choose what plays on the radio. Usually polka music. If the gear does not fit in the chase vehicle, participants will need to leave their gear at the Summit. VPD does not assume responsibility for lost or stolen gear.

If multiple riders are late and cannot fit in the chase vehicle, parents will need to drive to the Summit to retrieve their child. Multiple infractions may result in expulsion.

Infractions

Anyone caught using banned substances, including but not limited to alcohol, tobacco, vaping, marijuana, etc., will be subject to expulsion without refund. Qualified suspicion may result in students having to sit at the front of the bus under close supervision.

What if I am sick?

The short answer is to stay home. If you test positive for COVID-19 or have a known exposure, report this to us immediately so we can take appropriate action. Please review Washington State's guidelines for quarantine (exposure to COVID-19) and Isolation (tested positive for COVID-19) at the Washington State Department of Health website:

<https://doh.wa.gov/emergencies/covid-19/isolation-and-quarantine-covid-19>.

Where can I see the current condition at the slope?

Summit and conditions for Snoqualmie Pass on Interstate 90 can be seen on [the Summit's website](#) page for conditions & cams.

Who operates the bus?

We charter the ski bus through First Student, the same company that provides bus service to the Vashon Island School District.

Can I ride the bus with my child?

You can either pay to ride the bus as a participant or join our volunteer list to be a chaperone. We are offered a total of 4 chaperone/aid car lift tickets per bus. To volunteer as a chaperone, please call Eric Wyatt at (206) 463-9602 or send an email to ewyatt@vashonparks.org.
