THREE TIERS OF RATES, DUE UPON SCHEDULING OF FACILITY, PRIOR TO USE

Non-Profit	Private	Commercial
An organization is considered nonprofit under this policy only if it is a 501(c)(3) corporation (or is registered as a non-profit by the State of Washington, and the group is governed by a local board of directors) For example, sports groups, arts organizations, and social service agencies usually have this status. Proof of status must be obtained prior to rental.	Private events such as family reunions, weddings, or government meetings qualify.	Company picnics, for-profit classes, camps, business gatherings, or events where merchandise will be sold to the public, for profit.

A “regular sports season” means any consecutive four-month period during which the activity operates. All use beyond two practices per week and associated games, or use that occurs outside normal operational hours, shall be subject to additional charges.
