Queenship of Blessed Virgin Mary, August 22. As Saint Paul suggests in Romans 8:28–30, God has predestined human beings from all eternity to share the image of his Son. All the more was Mary predestined to be the mother of Jesus. As Jesus was to be king of all creation, Mary, in dependence on Jesus, was to be queen. All other titles to queenship derive from this eternal intention of God. As Jesus exercised his kingship on earth by serving his Father and his fellow human beings, so did Mary exercise her queenship. As the glorified Jesus remains with us as our king till the end of time (Matthew 28:20), so does Mary, who was assumed into heaven and crowned queen of heaven and earth.

Vocations Calendar. May God’s grace encourage men and women to heights of holiness through service to the Church as priests, sisters, brothers and lay ministers. Amen.

In the light of the Assumption of Mary (August 15), it is easy to pray her Magnificat (Luke 1:46–55) with new meaning. In her glory she proclaims the greatness of the Lord and finds joy in God her savior. God has done marvels to her and she leads others to recognize God’s holiness. She is the lowly handmaid who deeply revered her God and has been raised to the heights. From her position of strength she will help the lowly and the poor find justice on earth, and she will challenge the rich and powerful to distrust wealth and power as a source of happiness.
