## GOSPEL MEDITATION

Trust and unity are important within any community. Jesus teaches us to go directly to the person who has wronged us. If reconciliation does not occur, we are to go to another for assistance in addressing this matter. It is much easier to tell others first, when we are wronged. Yet, in so doing we show a lack of trust in our relationships with those in the community. Is there a person we need to speak to one-to-one for healing and unity?
