ST. VINCENT DE PAUL

Next week's special collection will benefit St. Vincent de Paul. The

Society of St. Vincent de Paul offers tangible assistance to those in need on a person-to-person basis. It is this personalized involvement that makes

the work of the Society unique. This aid may take the form of intervention, consultation, or often through direct dollar or in-kind service. An essential precept of the Society's work is to provide help while conscientiously maintaining the confidentiality and dignity of those who are served. The Society recognizes that it must assume, also, a role of advocacy for those who are defenseless or voiceless. Some 12 million persons are helped annually by Vincentians in the United States.

If you or someone you know is in need of food or financial assistance for rent or utility bills, please contact: St. Vincent de Paul at 843-224-4592.

SCRIPTURE REFLECTION

One of St. Paul's favorite topics was prayer, and today's reading from his letter to the Philippians is no exception to that. He says, "Have no anxiety at all, but in everything, by prayer and petition, with thanksgiving, make your requests known to God." For Paul all topics are appropriate for prayer because we need to share and consult with the Lord about everything.

God knows what is on our minds already, of course, but He also desires that we make a conscious effort to communicate with Him on these subjects. In addition, Paul points out that our prayers need to be infused with thanksgiving. We should not just petition the Lord and make requests. It is equally important that we think about, identify, and acknowledge our blessings.

We have often pointed out that stewardship is a life of gratitude, a way of living which encourages us to focus on gifts, not on problems and challenges all the time. If we strive to have grateful hearts, our prayers come much more easily, and we tend to be much happier and more upbeat in our lives.

The noted author, philosopher, journalist, and theologian G. K. Chesterton is well known in Catholic circles because he converted to Catholicism during his life, and was an excellent conveyor of the faith. In terms of living grateful lives he said, "I would maintain that thanks are the highest form of thought; and that gratitude is happiness doubled by wonder." That includes thanks to God.
