Alleluia!

Alleluia! He is risen! These words have echoed for 2,000 years in the hearts and souls of the faithful, and we continue the chorus today! Despite so much bad news everywhere in our world and so many reasons for discouragement, we are filled with hope and joy today and always because Jesus is alive! He is with us! God's power and God's love triumphs even over death! The Easter message is that no matter how dark or dead or hopeless something seems, God's love and power can always bring resurrection and new life! Alleluia! Praise the Lord!

This is why the early Christians moved the Church's Sabbath from Saturday, the Jewish Sabbath, to Sunday, the day of the Resurrection of Jesus. In fact, the early Church understood the weekly gathering for Sunday liturgy as a "little Easter," since the Mass is a celebration and sacrifice of the death and Resurrection of Christ each time.

May all of us be overflowing with joy today! May we be eager and anxious to share our faith in the Risen Christ with everyone we meet! May we freely tell of all the wonderful blessings that this brings to our own lives. May we especially share this message with those who do not have faith or who are finding it difficult to rejoice and be hopeful!

Our Easter message sends us on a mission. It is a call for us to whole-heartedly live that message and all it means each day of our lives among everyone we meet!

And so, as we celebrate Easter this year, may we never be discouraged! May we not be saddened or downhearted even though difficulties, burdens and crosses continuously enter our paths. May we keep this message foremost in our minds and hearts. And may you and your loved ones have a very blessed and joyous Easter!

Jesus is alive! He is risen! Alleluia!

God Bless,

Father Ray Carlo

The 2020 Census is taking place now!
This is an important time to be counted
because the data collected from the
census:

- determines the state's representation in Congress for the next decade;
- influences the way legislative lines are drawn at the federal and state levels;
- informs emergency preparedness and public safety plans;
- and guides how federal funding is distributed to communities for local needs.

The allocations we receive are directly tied to population numbers. Without an accurate count, we lose vital aid and services.

When the state's people are not counted, *South Carolina communities lose out!*

Did you know? In Fiscal Year 2016, South Carolina received nearly \$12.7 billion through federal programs that used 2010 census data!

BACKGROUND ON THE GOSPEL READING

John 20:1-9

Mary of Magdala finds that the stone has been removed from Jesus' tomb.

Background on the Gospel Reading

Today we begin the Easter Season, our 50-day meditation on the mystery of Christ's Resurrection. Our Gospel today tells us about the disciples' discovery of the empty tomb. It concludes by telling us that they did not yet understand that Jesus had risen from the dead. Thus, the details provided are not necessarily meant to offer proof of the Resurrection. The details invite us to reflect upon a most amazing gift, that is faith in Jesus and his Resurrection.

Each of the four Gospels tells us that Jesus' empty tomb was first discovered by women. This is notable because in first-century Jewish society women could not serve as legal witnesses. In the case of John's Gospel, the only wom-

an attending the tomb is Mary of Magdala. Unlike the Synoptic accounts, John's Gospel does not describe an appearance of angels at the tomb. Instead, Mary is simply said to have observed that the stone that had sealed the tomb had been moved, and she runs to alert Simon Peter and the beloved disciple. Her statement to them is telling. She assumes that Jesus' body has been removed, perhaps stolen. She does not consider that Jesus has been raised from the dead.

Simon Peter and the beloved disciple race to the tomb, presumably to verify Mary's report. The beloved disciple arrives first but does not enter the tomb until after Simon Peter. This detail paints a vivid picture, as does the detail provided about the burial cloths. Some scholars believe that the presence of the burial cloths in the tomb offers evidence to the listener that Jesus' body had not been stolen (it is understood that grave robbers would have taken the burial cloths together with the body).

The Gospel passage concludes, however, that even having seen the empty tomb and the burial cloths, the disciples do not yet understand about the Resurrection. In the passage that follows, Mary of Magdala meets Jesus but mistakes him for the gardener. In the weeks ahead, the Gospel readings from our liturgy will show us how the disciples came to believe in Jesus' Resurrection through his appearances to them. Our Easter faith is based on their witness to both the empty tomb and their continuing relationship with Jesus—in his appearances and in his gift of the Holy Spirit. <https://www.loyolapress.com/our-catholic-faith/liturgical-year/sunday-connection/palm-sunday-of-the-lords-passion-cycle-a>
