SAFE HAVEN SUNDAY

Equipping the Family: Having Critical Conversations

The constant flood of influence that comes through the internet and social media in all of its various forms, along with social pressures from peers make it difficult for children to live virtuous and holy lives. In the digital age, it's not a matter of if your child will see something inappropriate online. It's only a matter of when. And regrettably, internet pornography is teaching our children how and what to think about sex and marriage.

On February 18th and 19th, during Mass, St. John the Beloved will be celebrating Safe Haven Sunday. This weekend of awareness give you confidence for how to talk to your children about internet dangers, as well as their personal online and offline choices.

Please join us with your prayers and presence as we prepare for this unique topic.
