## BIBLE STUDIES

**A Biblical Walk Thru The Mass** – 5 sessions  
Noon – 1:30, in The Commons Jan 10 -Feb 7  
In the Mass we hear God speak in the liturgy of the word and receive Him Body and Blood Soul and Divinity in the Holy Eucharist. Everything we say and do in the liturgy has profound significance and is steeped in Biblical language. In this course, Dr Edward Sri explains the profound significance of the words and gestures we experience at Mass. This course changed forever how I attend Mass.

**Jesus The Way The Truth and The Life** – 10 sessions  
Noon – 1:30 in The Commons Feb 21 – May 1  
No class Holy Week Mar – Mar  
This program presents the life of Christ as written in the gospels. We explore who He is, what He is really like, what He taught, what He did for our salvation and what that all means to Catholics today. We will examine the history politics and culture of the ancient land in which Jesus lived and taught. Our encounter with Christ will enable us to get to know and love Him in a new and life changing way.  
The cost of each session is \$20, payable at the first session of each course. Please register for the first session by Jan 7 and the second session by Feb 11. You can register at the parish office or by email [johntoman7@gmail.com](mailto:johntoman7@gmail.com).

## SPECIAL COLLECTION—JANUARY 27-28

The USCCB is asking our diocese to take up the Collection for the Church in Latin America. For more than 50 years, this collection has given us an opportunity to share faith in unity with our brothers and sisters in Christ throughout Central and South America and the Caribbean islands. The work of evangelization is carried out by Christians who meet people where they are — in a geographical sense and culturally. The Gospel is unchanging, and we have many ways to make it relevant to people of all cultural, ethnic and linguistic backgrounds.

On the weekend of **Jan. 27-28**, our diocese will take up a special collection for the Church in Latin America. All donations will be allocated to the evangelization of peoples throughout Mexico, and Central and South America.

## Automatic External Defibrillator (AED) Training Available

In the event of a cardiac arrest (heart attack), do you know how to use an AED? Providing an early shock to a cardiac arrest patient saves lives, especially when done in conjunction with CPR. The patients who receive assistance BEFORE the ambulance arrives are the ones who survive. Catholic Mutual Group now has online training available to give you the confidence you need to use this device effectively, even if you've never been trained before, even if you don't know CPR, even if you have been previously trained and think you might be a little rusty. You can access this training at <https://CMGconnect.org/> and look for the Taking Care. Saving Lives. (AED Training) module. If you have done Safe Haven training, you already have an account and are able to access the training. If you don't have an account, you can easily sign up for free. If you'd like more information, please contact [deaconjoe@sjbsummersville.org](mailto:deaconjoe@sjbsummersville.org)

### 365 Days of Divine Mercy Begins!

The world we find ourselves living in today is a world of increasing violence, chaos, despair and interior isolation. It's a world in which so many are connected through the means of modern communication, such as through the daily headlines and social media. As a result, we are increasingly aware of the countless problems and tragedies that so many people face each and every day. As a result we see sin and its consequences everywhere we look and it takes a toll on our souls. So how do we deal with this constant awareness of the evils, sins and pain of so many people on such a regular basis? The only answer to that is Divine Mercy. The Divine Mercy is so deeply needed today and we can rest assured that He who is divine, desires to bestow this precious gift in abundance. The Divine Mercy must become the lens through which we see all things. It must become the filter for everything we take in and everything we give out. The Divine Mercy is the grace and love of God alive in our lives. It's God acting in us, upon us, and through us. Letting God take control, we learn to think and act according to his will. The Divine Mercy of God is like a fountain of endless water in the midst of a parched and arid desert. It's the source of refreshment and newness of life that we all seek, whether we realize it or not. It's the deepest longing of our hearts and the only thing that will ever satiate the longing we have. The world is constantly offering us a false sense of happiness and fulfillment. The first step to discovering The Divine Mercy of God is to see the world for what it is. We need to turn our eyes to this font of truth and grace that we were made for. We need to turn to The Divine Mercy. For information please contact Tim at [timothyw1@att.net](mailto:timothyw1@att.net).
