DEVELOPMENT AND PEACE

Development and Peace thanks you for putting *People and Planet First*. Together, we are building a world of justice with your ongoing commitment and mobilization.

Our Lady of Hope, our local Sudbury Churches and thousands of Canadian supporters joined us in signing the petition. Our focus was to defend the human and environment rights of people like Sonia Perez and stand in solidarity with our brothers and sisters in the Global South who are protectors and guardians of the Earth. This law will protect our brothers and sisters in the Global South from companies in their overseas operations.

We also welcome new members who are passionate about social justice issues. Share the Love and Be the Voice for the marginalized!

To **sign our petition** and to continue supporting our campaign, visit our **D&P Bulletin Board**.
