Dear North Hills Regional Catholic Elementary Schools Families,

Registration Is Open for the 2024-25 School Year!

We're excited to announce that registration for the 2024-25 school year is now open! We welcome returning and new students to join our warm, nurturing Catholic school community known for its

- Academic Excellence: A rigorous curriculum aligned with Catholic values, preparing students for success beyond graduation.
- Spiritual Growth: Fostering students' faith journeys through dedicated faculty and staff.
- Service to Others: Encouraging students to contribute to their communities.

Affordable Catholic Education:

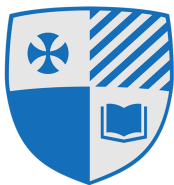

Our Board carefully considered enrollment predictions, staff costs, and other factors to create a balanced budget for 2024-25. This budget allows for

- Increased student support
- Continued faith formation
- Academic achievements
- Athletic and extracurricular programs
- One-to-one technology devices
- Service projects

The predicted per-student cost for 2024-25 is \$8,620, significantly lower than the average public school rate of \$19,092 in Pennsylvania. Our students primarily come from districts with even higher costs, as shown below:

| Public School District | Per Pupil Cost (2022) | NHRCES Student Population |
|------------------------|-----------------------|---------------------------|
| North Allegheny SD | \$21,570 | 19.82% |
| Shaler SD | \$18,098 | 12.04% |
| Pittsburgh SD | \$24,195 | 11.04% |

We believe in the exceptional value our schools offer, providing a strong education and nurturing environment at a significantly lower cost than public schools.
