Knights of Columbus 79th State Bowling Tournament Rules

Bowlers must be members of the Knights of Columbus and produce a current paid up Membership Card.

Team Events. Multiple participation will be allowed in team events only according to Rule 315 in the USBC Constitution Specifications and Rules. No more than three bowlers on the same team can place more than once in the prize list for position standings. A bowler bowling on more than one team will count his first Team event score for an event.

Singles and Doubles. Singles and Doubles will be bowled three (3) bowlers to each lane if possible, and singles will be bowled first. The automatic tele-score is the official scorer. Each bowler is responsible for observing his own score at all times. A bowler has 24 hours in which to register an official written protest to any scoring error. Bowlers will bowl singles and doubles on the same pair of lanes. Bowlers must enter both the doubles and singles event if entered in either.

All Events. Optional All Events scores will include singles and doubles scores, and the score for the first team event of each bowler.

Entering Averages. Bowlers must use their highest 2021/2022 local USBC Bowling Association book average of 2021-2022 league average. When the previous seasons average is used, and at the time of bowling an entrant has a current average for 21 or more games that is 15 pins or more higher than the prior season's average, the current average must be used.

Average Verification. League Secretary, or local USBC Bowling Association Secretary, must verify on this entry blank the highest 2021-2022 average (Sanctioned or Non-Sanctioned). If a Non-Sanctioned average is used, please attach a copy of the most recent league sheet.

All Non-League Bowlers simply leave the average column blank. If none of the above, 135 or higher entering average will be used. For bowlers having no 2021-2022 local USBC Bowling Association average, that possess a Knights of Columbus Tournament average, the tournament average will be used.

All Bowlers will be subject to re-rating. Bowlers will be re-rated if the bowler's average is 50 pins or more above his entering average

Average Corrections. Average corrections can be made up to the end of the game in any series. USBC Rule 319(e) is waived

Misrepresenting an average on any entry shall be grounds for disqualification of the entry (team, doubles, or singles) and forfeiture of any/all prize money which might have resulted from that entry. The committee reserves the right to re-rate the bowler in lieu of disqualification.

Entry Fee Details. Entry Fees in full must accompany the entry blank and shall be tendered by Check or Money Order. No entry fee shall be refunded, except in the case of rejection of an entry.
