*a model for a simple, but faithful life*

Cut out each image;  
make a slit where  
indicated by the dotted  
lines; and fit the pieces  
onto the image of the  
saint.

Grant, O Lord, that through the  
intercession of Saint Isidore, the farmer,  
we may follow his example of patience  
and humility, and so walk faithfully  
in his footsteps so that, in the evening of  
life, we may be able to present to You  
an abundant harvest of good fruits. You  
who live and reign forever and ever.

Amen.
