**FROM THE PASTOR'S DESK**

We welcome our Crosier Father missionary priests this weekend, **Fr. Jean Marie Zawadi Sambya, OSC** and **Fr. Ernie Martello, OSC**. Please be generous in the second collection to assist in their apostolic endeavors.

The **Perry County Gun Bash** is next weekend. Please sign up to volunteer for this important fundraiser. It's also a very easy way for

St. Rose School parents to get their required yearly volunteer hours in.

A happy **Labor Day Weekend** to one and all! There are many ways we can offer prayer related to work and labor. Let us be grateful to God for the ability to work to provide for families and to contribute to the social dimension of society. The **Compendium of the Social Doctrine of the Church** states, "Human work also has an intrinsic social dimension. A person's work, in fact, is naturally connected with that of other people. Today 'more than ever, work is work with others and work for others'" (Compendium, 273).

Moreover, let us pray for those who are injured and cannot work and those who can't find adequate work to provide for themselves and their families. It's also important to remember the necessity to rest from our labors in order to give worship to God and spend time with our families doing works of mercy. *Rest from work is a right*. As God "rested on the seventh day from all the work which he had done" (*Gen. 2:2*), so too men and women, created in His image, are to enjoy sufficient rest and free time that will allow them to tend to their family, cultural, social and religious life. The institution of the Lord's Day contributes to this. On Sundays and other Holy Days of Obligation, believers must refrain from "engaging in work or activities that hinder the worship owed to God, the joy proper to the Lord's Day, the performance of the works of mercy, and the appropriate relaxation of mind and body. Family needs and service of great importance to society constitute legitimate excuses from the obligation of Sunday rest, but these must not create habits that are prejudicial to religion, family life or health" (Compendium, 284).

In Christ Jesus,
Fr. Hartge

Hello!

It feels good to have finally arrived at St. Rose and I am excited to start getting to know the community here at the Perry County Consortium of Catholic Parishes. I've already had the opportunity to meet several of you and I am grateful for how welcoming everyone has been. It is a great blessing to serve alongside our pastor, Fr. Hartge, who I know from my first days of seminary.

I wanted to take this opportunity to briefly share with you a little bit about myself. I grew up in a devout Catholic home. I have a younger brother, and an older sister who is married with three kids. My siblings and parents all currently live in the Dayton area. My dad was in the Air Force for almost 30 years, so growing up I moved around a lot. I've lived in eight different places. My first two years of high school were at a Department of Defense school in England and my last two years of high school were on the other side of the world at a Catholic all-male school in Hawaii. Upon graduating from high school, I went on to complete my undergrad at Miami University in Oxford, OH. I then served with a Catholic youth missionary program called NET Ministries for two years. After my time serving with NET is when I entered the Josephinum for six years of seminary formation. I was just ordained a priest in May! Next time, I will fill you in on my experience of serving at Ramstein AB in Germany, which is where I spent my summer months. Until then, God bless! I am thrilled to be in Perry County!

Fr. Yakkel
