

Volunteer Service Projects

Why we serve: Service to others is a requirement for the Christian life. Each of us is blessed with gifts from God. As part of your preparation for Confirmation, you will discern how you might utilize your God given gifts to become Christ for, and see Christ in, others.

Volunteer Service Projects: Confirmation candidates are asked to complete three service projects over their two years of Confirmation preparation. Candidates are responsible to choose their project and complete a reflection for each project. Projects should include:

Project 1: Choose 1 church service project at SJTW. There are many ways to serve at SJTW. Here are just a few ideas:

- Sunday School Volunteer (September-April)
- Vacation Bible School Volunteer (June)
- Christ Power (if you volunteer for Christ Power, only 2 service projects are needed. Due to the time commitment of Christ Power, this opportunity counts as 2 projects.)
- Pack with Purpose events
- Sunday Morning Hospitality
- Lector
- Projectionist
- Faith Formation Catechist Aide for grades 1-8

Project 2: Choose 1 activity to serve the greater community. There are many ways to serve in our greater community. Here are a few ideas:

- Visit a Nursing Home
- Feed My Starving Children
- Mobile Hope
- Sharing and Caring Hands
- Habitat for Humanity
- CROSS
- Use your imagination! Many organizations need volunteers!

Project 3: Choose 1 church service project at SJTW or Choose 1 activity to serve the greater community.

Reflections: Once your service project is complete, please go to our website, sjtw.net/confirmation-1 to complete the Confirmation Service Project Reflection Form. Your reflections will be printed and given to you at the time of your Confirmation interview during the spring of Confirmation II.
