Dear parishioners,

I hope you all are having a wonderful and fruitful Lenten season. In this season of lent.... What God wants us to do.... All is that prayer, fasting, and alms giving. Every Friday we have to give up meat which helps us to have a bodily discipline. Not only just fasting we have to help others by saving from what we have. That is nothing but alms giving. Apart from that prayer is very important which helps us to be closer to God we have daily mass. We have stations of the cross, holy hours, we have chaplet for the sacred heart of Jesus and many other opportunities for prayer in our parish. We have already past more than a week, just look back how we spent. Are we able to spend some time with God, are we able to help others, are we able to fast.

Every Thursday evening, from 6pm to 7pm at St Peter's and Sunday evening from 6pm to 7pm at St Martin's, we are planning to watch "The Chosen" 3rd series in our parish. This movie will make us to know about the life history of Jesus, mission what God has done. You can watch at your home or in the parish according to your convenience.

In this season of lent if you like to make sacrament of reconciliation you can call to the office and make your appointment or you can contact the emergency phone number and ask for reconciliation because lent simply means that we have to repent for our sins. Every Tuesday evening 6pm to 7pm reconciliation at St Peters, every Saturday at 2 30 to 3.30 at St Martin or you can make an appointment at any time you.
