October 10, 2022

Dear 7th and 8th Grade Parents,

We are looking forward to our annual conferences on Thursday, 10/27 and Friday 10/28! In order to help us partner with you, our preference is for conferences to be “in person.” However, if your schedule requires you to have a virtual conference, please sign up for a conference time on Friday, 10/28 AND email the teacher. They will follow up with an invitation for a “Google Meet” conference.

We will be conducting our 6th - 8th grade conferences in our Corrado Family Center. In order to receive your child’s progress report and STAR assessment scores, please check in via the school main lobby and then head to the Corrado Family Center for your conferences.

To help space out attendees, we request that you complete the following Google Form to schedule your time for your conference (1 form per teacher):

- Ms. Amy Lawrence: 7th and 8th English/Language Arts and Social Studies
- Deacon Scott Kolbet: 7th and 8th Religion, 8th math and 7th - 8th Spanish
- Mrs. Jennifer Willits: 7th and 8th Science and 7th Math
- Mr. Greg DeVille: 7th and 8th Advanced Math

Should you want to meet with any of our specialist teachers, please email them via the links below to request a conference day/time:

- Mrs. Margaret Burd: Teacher Librarian
- Mrs. Danielle Wiest: PE/Health
- Mr. Don Vecchione: Music/Computer
- Ms. Reyni Racklin: 4th - 8th Academic Support Coordinator

Please sign up for your conference by Tuesday, 10/18. We are looking forward to partnering with you during conferences!

Blessings,
