## From the Desk of Fr. Albeen

The prophets of the Old Testament were not very popular. Most were killed or exiled because they challenged people to follow the commands of God. John the Baptist suffered the same way. So what kept the prophets going? First, they had faith in God. They believed that God spoke through them, that God would protect them and support them. Second, they had patience. They kept going when people rejected their preaching. The third gift of the prophets was hope: That by keeping God's commands, God's people would be renewed, along with all of creation. Our first reading is an example of such hope, with its descriptions of deserts becoming gardens and the sick and disabled being healed and strengthened. So what do we learn from those prophets? First, we need to keep our faith in God. If you go to church once a week, the bare minimum, it would be like exercising only once a week and thinking that will keep you in shape. Second, we need patience and not just with our kids. We need to be patient with ourselves and with God. Some people stop going to church because they don't see any spiritual growth in themselves. So be patient; don't expect to become a saint right away. Finally, the reading from Isaiah gives us hope that God will open our eyes of faith, clear our ears to hear His word, (Is 35:5) and "meet him with joy and gladness" (Is 35:10).

## ORDER OF CHRISTIAN INITIATION OF ADULTS

The Sacrament of the Anointing of the Sick is Christ's healing and strengthening presence for those facing serious illness, advanced age, major surgery, or the weakening that comes with suffering. Jesus continues His ministry of compassion through this sacrament, bringing peace, courage, and the grace to unite one's suffering with His own. In Anointing of the Sick, a priest prays and anoints the person with blessed oil, calling down the Holy Spirit for healing of soul, forgiveness of sins, and—if God wills—physical restoration. The sacrament is not only for those at the point of death; it is for anyone in serious need of Christ's healing mercy. The sacrament reminds us that no one suffers alone: Christ is present with His comfort, mercy, and hope. Deacon Denzil leads us this week in our discussion of the sacrament of the Anointing of the Sick. OCIA meets at 6:30 pm on Wednesday nights in St. Clare Hall. Inquirers are welcome to join us at any time. More information about the OCIA program can be obtained by calling the church office or by visiting the church website at [www.stfrancismadison.org](http://www.stfrancismadison.org).
