

UNIFORM POLICY AND DRESS CODE (K-5)

11/2021

School uniforms help support and develop community and school spirit. They also promote an environment of courtesy, respect, self-discipline, and high personal standards. School uniforms minimize distraction associated with clothing and focus children’s creativity and individuality on their school work. The St. Dominic Catholic School Uniform Policy is designed to provide options and minimize cost to families.

The key uniform items are the tops with school logos. All tops will be solid bright red, white, or navy blue. All shirts will have an embroidered white or red school logo. The school logo is the only logo that should be on the shirt.

COMPLIANCE

It is understood that when you choose to become part of the Saint Dominic School family that you will adhere to the policies set forth. The Uniform Policy is certainly one of those policies. When a child is not in compliance with the policy, we will work with you and with the child to promote a better understanding of the expectations. We will never take punitive action against a child for non-compliance, understanding it is the responsibility of the adults in that child's life to assure compliance. Should you have concerns about the Uniform Policy or have a suggestion for change, please contact a member of the SDCS staff member.
