TURNING SADNESS INTO JOY

As people wander and fumble to find their way, God is there bringing them back to holiness and giving them the assurance of His presence. We have to allow God's Word, God's life, to touch us and change us. It can make us more flexible and attentive to the sacred in all facets of life so that every day is one that is holy. Every day is a time when fulfillment is possible for one's soul. Jesus stood before those gathered in the synagogue as the fulfillment of words of promise that were echoed long ago. God doesn't forget. He always comes for us.

Now it is time to remember to go to God. Sometimes our lives are so confused and tangled that it is difficult to see the Word and hand of God. But when we realize, deep within, the depth of friendship God offers to us it really has the power to turn sadness to joy. The promise is fulfilled. Going frequently to God's Word, allowing ourselves to be enriched and rejuvenated, and pondering the certainly of God's fidelity and promise permanently transforms us. We will be more aware of the sacred and the holy and less invested in things that pull us away.

St. Thomas Aquinas | January 28

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 – 1274) is well-known by many for his theological work, "The Summa Theologiae." Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The Literarians Book Club will meet Tuesday, February 8th at 7 pm in the church hall. Join us for wine and lively discussion. Our next book is **The Ball and the Cross by G.K. Chesterton.** "When two men decide to fight for their respective beliefs, they discover to their astonishment that an unbelieving world won't let them, and they find themselves partners and fugitives from the law in this steampunk satire. Penned by G.K. Chesterton in1909, this whimsical and biting novel eerily foreshadows a world in which "tolerance" is the only god and all those who believe ideas are worth dying for are forced to stand together to defend freedom of speech and belief."
