GOD IS ON THE SIDE OF THE POOR

Copyright (c) J. S. Paluch Co.

Two of today's readings make it quite clear that God is on the side of the poor. Amos describes in detail the exploitation of the poor and needy. The psalm repeats that God acts to benefit the poor and lowly. But Luke turns things upside down, telling a tale of a conflicted steward, about to be fired, who demonstrates his cleverness and is rewarded. Like the community to whom Paul writes in Timothy, these readings are personal, directed to believers, members of the Jewish and Christian communities, who struggle to deal with personal choices about how to conduct their lives. They offer an outline for how God wishes us to live in a world as complicated and as confusing as our own.

DIOS ESTÁ DEL LADO DE LOS POBRES

Dos de las lecturas de hoy ponen muy en claro que Dios está del lado de los pobres. Amós describe en detalle el abuso de los pobres y necesitados. El Salmo repite que Dios actúa en beneficio de los pobres y los humildes. Pero Lucas pone las cosas de cabeza, contando una historia de un mayordomo en conflicto, a punto de ser despedido, que demuestra astucia y es recompensado. Como la comunidad a la que Pablo escribe en Timoteo, estas lecturas son personales, dirigidas a los creyentes, miembros de las comunidades judías y cristianas que tienen dificultades con elecciones personales de cómo conducir sus vidas. Ofrecen un bosquejo de cómo Dios desea que vivamos en un mundo tan complicado y tan confundido como el nuestro.
