HARVEST FEST THANK YOU:

As I reflect upon the 2023 Harvest Fest, I am filled with a deep sense of gratitude and appreciation for all the individuals who helped put on a very successful weekend. God truly has blessed our community with people who are willing to use the gifts He has given them. Hilda Sousa did an amazing job leading the coordination and running of the Harvest Fest. Joe Silveria and Ben Coldwell stepped into the huge role of setup and take down and helped to do this with efficiency. Thank you to the raffle committee for doing an amazing job of processing our largest number of ticket sales to date. I also want to thank our new and returning subcommittee chair people who took on roles and helped to provide success in their areas.

Parents, thank you for making the commitment to our community this weekend. Your support allowed for Harvest Fest to be the huge success it was for our students and school. I want to also thank the parishioners who supported us by purchasing raffle tickets and attending the weekend and the parish groups that supported booths. Thank you also to the parish maintenance and facilities team, collection counters, and Father Brandon. I am appreciative of your ongoing support of our parish school. The weekend was such a community effort, and it was a joy to see the kids, parents, parishioners, and larger community enjoying our beautiful campus. Once our final numbers are in, they will be shared with all of you. I am truly blessed and humbled to be a part of such a wonderful school. May all of you have a continued blessed Harvest season. Sincerely, Elizabeth Mar.
