Bringing Jesus to the World Through the Family

FROM FR. EHLI

Dear Parishioners,

I pray your Lenten journey is off to a good start. As we begin this holy season, let's remember to practice the three traditional pillars of Lent: prayer, fasting, and almsgiving, which help us in varied ways to deepen our trust in the Lord Jesus. Over the next few weeks, I will highlight each one of these pillars in this article. This week's focus is prayer. My encouragement and challenge for all parishioners is to attend daily Mass, if you don't already, and make a 30-minute visit to the Blessed Sacrament, preferably during adoration hours. Like the healed leper from last week's Gospel, it is a great privilege and joy for us to be in a living relationship with our loving God and to make visits to him to nourish that relationship.

This week I would also like to acknowledge a parishioner who has contributed to our parish in an outstanding way. Russ Staiger recently concluded his many years of service to our Finance Council. We thank him for his dedicated service! Inside this bulletin is a list of the names of all of our current Parish Council and Finance Council members. If you see Russ or any of the Parish/Finance Council members, let them know that their service is appreciated!

Have a blessed first week of Lent.

Sincerely, Fr. Ehli

Fasting & Abstinence During Lent

Ash Wednesday and Good Friday are days of both fasting and abstinence. All Fridays during Lent are days of abstinence.*

- Fasting: Catholics who are ages 18 to 59 are obliged to fast. When fasting, a person is permitted to eat one full meal. Two smaller meals may also be taken, but not to equal a full meal.
- Abstinence: Catholics from age 14 onwards are bound to abstain from consuming meat.

**Exceptions include those who are physically and mentally ill (including chronic illnesses like diabetes) as well as pregnant and nursing women. The Church teaches that common sense should prevail so that a person does not further jeopardize their health because of the fasting requirements.*
