Relevant Radio - Now in Las Vegas, you can listen to Catholic radio 24-hours a day and Mass by tuning your radio to 970am / KNIH.

We are in the midst of a very difficult and unprecedented time. Each day the situation seems to change. Just last Sunday Bishop Thomas had given a dispensation to all people of the diocese from the obligation of attending mass. Masses were being celebrated as usual, but it was each person's choice whether to attend mass or not.

This passed Monday, Bishop Thomas, with a heavy heart, issued a statement saying that all public celebrations of mass in any church or chapel in the diocese will be suspended immediately, at least up through Palm Sunday, April 5. As difficult as this news is to accept, the bishop told us priests that in this time when we are being advised to limit physical person interaction in order to slow and stop the possible transmission of the virus to others, that it would be in everyone's best interest if we did not have people congregate together in close proximity to each other, even if the purpose is for worship and prayer. In addition, since a large number of people who come to mass are of older age, and since elderly are most susceptible to this virus, the bishop decided that it would be especially in their best interest to suspend the masses so as not to cause greater chance of exposure to the virus. The only exception will be for small funeral liturgies and previously scheduled weddings.

This suspension includes all church and school activities, meetings, social gatherings, rehearsals, sports and practices... basically any event which gathers people physically together. Visits to people in the hospitals will be subject to the policies set in place by the hospitals at this time. Keeping physical distance between people so as to stop the possible transmission of this virus is basically what this is all about.

For anyone who is concerned about mass intentions, the priests will be celebrating masses privately each day. So the mass intention will be offered. At the time I am writing this article, we are working on having mass offered through our parish website, so that you can participate in Sunday mass with us on line. Very interesting time we are in, indeed!

For the time being we will have the church open for private prayer from 8:00am until 12:00noon. We must however limit the amount of people in the church at the same time to 10. The parish office will be closed, but if you need to contact the office for any reason, you may do so by phone. (703-802-2300). If no one answers please leave a message and someone will return your call.

Thank you for your patience and understanding during this very difficult time for all of us. We will try to do the best we can as we process all these changes to the current situation of our life styles. Let us continue to pray for God's protection on us all and that we will soon be able to control and eliminate this worldwide health threat.

Holy Virgin of Guadalupe,

Queen of the Angels and Mother of the Americas. We fly to you today as your beloved children. We ask you to intercede for us with your Son, as you did at the wedding in Cana.

Pray for us, loving Mother, and gain for our nation and world, and for all our families and loved ones, the protection of your holy angels, that we may be spared the worst of this illness.

For those already afflicted, we ask you to obtain the grace of healing and deliverance. Hear the cries of those who are vulnerable and fearful, wipe away their tears and help them to trust.

In this time of trial and testing, teach all of us in the Church to love one another and to be patient and kind. Help us to bring the peace of Jesus to our land and to our hearts.

We come to you with confidence, knowing that you truly are our compassionate mother, health of the sick and cause of our joy.

Shelter us under the mantle of your protection, keep us in the embrace of your arms, help us always to know the love of your Son, Jesus.

Amen.
