St. Rose School Alumni—Teresa Moran Runyon: alumni@srls.org OR www.srls.org/alumni

Dear friends,

This weekend marks an auspicious moment for our parish as we celebrate the 50th anniversary of the foundation of the Knights of Columbus Council 5803 in Simi Valley.

Not too long ago I read a wonderful true story. Shortly after the fall of communism in the Soviet Union, a reporter interviewed the Soviet Prime Minister Mikhail Gorbachev. During the interview the reporter asked Mikhail Gorbachev what inspired him to change the course of the Soviet Union that ultimately led to the downfall of communism. Prime Minister Mikhail Gorbachev stated that he had been inspired by the courage of Lech Walesa—the Polish shipyard worker who stood up to the Communist Government of Poland by forming the Solidarity Labor Movement that led to downfall of communism in Poland.

If you have ever read the life of Lech Walesa, you would discover that Lech Walesa took the courageous steps he did because he was inspired by the heroism of Martin Luther King, Jr. who spearheaded the Civil Rights Movement in the United States.

And if you would read any biography about Martin Luther King Jr., you would learn what gave Martin Luther King Jr. the courage to do what he did. He said that he was inspired by Rosa Parks, that diminutive Black woman who, on February 14, 1913, in Tuskegee, Alabama refused to surrender her seat to a white passenger and move to the back of the bus.

So, with a little imagination, if you connect the dots, in one very real sense, you could say that Rosa Parks brought down communism. A seed she sowed in 1913 shook up the entire world.

I mention this story in light of this wonderful event we are celebrating today—the 50th Anniversary of the foundation of the Knights of Columbus Council 5803 here in Simi Valley! Who would have thought that a seed sown in 1881 also would shake up the world? What I am referring to is an idea that an Irish-American Catholic priest named Fr. Michael J. McGivney had when he gathered a group of men from St. Mary's Parish in New Haven, Connecticut for a meeting on October 2, 1881. As a parish priest in an immigrant community, Fr. McGivney saw the devastating effects of what happened to a family when the main income earner died. How was he going to deal with this dire situation?

In the late 19th century, many doors to relief systems in the United States were closed to Roman Catholics because of fierce anti-Catholic discrimination. Regularly Roman Catholics were excluded from labor unions, popular fraternal organizations and other organized groups that provided social services. Roman Catholics also were prohibited from being Freemasons because of their virulent anti-Catholicism. This new Order was incorporated under the laws of the state of Connecticut on March 29, 1882.

Although the first councils were all in Connecticut, it wasn't long before the Order spread throughout New England and across the United States. Now the Knights of Columbus is the world's largest Catholic fraternal service organization that has expanded its outreach as a mutual insurance benefit society, serving low-income immigrants, into a fraternal benefit society dedicated to providing charitable services, promoting Catholic education and actively defending Roman Catholicism in various nations. Now there are close to 2 million members in nearly 15,000 councils—302 of them on college campuses. Who would have thought that a seed that was sown in 1881 would have such a powerful effect in the world?

But, as people of faith, it shouldn't surprise us. This is what Jesus intended from the beginning. As God, Jesus could have remained with us in this world. But Jesus knew that, if He did remain here in His human nature, He would have been limited to one place, at one time. But Jesus wanted to save the entire world, to reach every human heart. Jesus plan was that He would send His Holy Spirit. And by His Spirit, Jesus could live in and through every believer—using their hands, their voices, their legs and hearts to do His mission to build the Kingdom that He inaugurated in today's Gospel.

And you never know how one little seed we sow today can have such a monumental impact. We see it all the time in secular history. As I mentioned earlier, just as Mikhail Gorbachev was inspired by the courage of Lech Walesa to change the course of the Soviet Union that ultimately led to the downfall of communism; and Lech Walesa was inspired by the courage of Martin Luther King Jr. and his heroic efforts for the Civil Rights Movement here in the United States; and Martin Luther King Jr. was inspired a little black woman named Rosa Parks who refused to move to the back of the bus in 1913. With a little imagination, if you connect the dots, you could say that Rosa Parks brought down communism. A seed she sowed in 1913 shook up the entire world.

And, more importantly, we see this throughout our Catholic history—how little seeds planted in faith started great movements that changed the world. One of those seeds is what we celebrate today—the 50th anniversary of the Knights of Columbus Council 5603. The effect of a seed sown by Fr. Michael McGivney continues to touch our lives and the world in an incredible way.

So, on this special day, as the pastor of St. Rose of Lima, I congratulate the Knights and thank them for their marvelous ministry. And one more thing, keep sowing those seeds!

Yours in Christ,

Fr. Joseph Shea

MORNING BIBLE STUDY

APOCALYPTIC LITURGY: THE BOOKS OF DANIEL AND REVELATION
Join us on Tuesday or Saturday mornings after the 8:30am Mass in the church to hear Fr. Bill explain these fascinating writings. For additional information, please contact Annette Cecil at 805 584 3533.

RCIA

Why are some RCIA participants dismissed in the middle of the Mass?

This Sunday, at one of the morning Masses, those adults and children preparing to be baptized into the Catholic Church, and those preparing for full communion will be dismissed at the end of the Liturgy of the Word. This will continue each Sunday until Easter when, at the Easter Vigil, those who are ready will join us at the Table of the Eucharist for the first time. The parish is not sending them out because they are somehow “unworthy” to stay for the Liturgy of the Eucharist. Though they cannot yet come to the table of the Eucharist, Mother Church still has an obligation to feed those who have entered into a relationship with her through the Rite of Acceptance and Welcoming which was celebrated recently. God’s Word is their only food during this period. Instead, the participants depart from the Mass with one or more RCIA team members, to discuss the Mass readings for that Sunday and to experience more fully the impact of the Scriptures in their lives. This time is known as “Reflection on the Word.”

“All Scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the one who belongs to God may be complete, equipped for every good work.”

(2 Timothy 3:16-17)

DID YOU KNOW?

Setting boundaries fosters healthy relationships
We create boundaries to keep our lives in order, for example many adults separate personal and professional relationships. Trusted adults can help teach children to do the same. Boundaries are essential in the foundation of relationships, and children should be comfortable expressing where they draw their own lines. “No means no” is easy to say in theory, but it should be respected in practice by your kids and their friends, teachers and other adults. Teach your kids how to explore their own comfort zones and give them time to tell you about their experiences. Open communication helps them understand that setting boundaries is part of life. For a copy of the Virtus® article “Good Boundaries Yield Healthy Relationships” email jvienna@la-archdiocese.org.

SABIA USTED?

Establecer límites da lugar a relaciones saludables
Establecemos límites para mantener nuestras vidas en orden. Por ejemplo, muchos adultos separan sus relaciones personales de las profesionales. Adultos en los que se puede confiar pueden ayudar a enseñar a los niños a hacer lo mismo. Los límites son esenciales en el cimiento de relaciones y los niños deben sentirse cómodos al expresar dónde ellos desean poner sus propios límites. En teoría es fácil decir “No significa no”, pero debe ser respetado en la práctica por sus hijos y sus amistades, profesores y otros adultos. Enseñe a sus hijos cómo explorar sus propias zonas de comodidad y déles el tiempo para que le cuenten sobre sus propias experiencias. La comunicación abierta les ayuda a entender que sentar fronteras es parte de la vida. LA VIDA DEL CUERPO DE CRISTO

Algunas de las imágenes más conocidas y queridas de san Pablo se encuentran en los pasajes de la primera carta a los corintios que hemos escuchado la semana pasada y hoy: los muchos dones de un mismo Espíritu y los muchos miembros que componen el Cuerpo de Cristo. Pocos pasajes de la Sagrada Escritura resumen con mayor claridad cómo las vocaciones cristianas trabajan en colaboración.

A diferencia de otros escritos de san Pablo, producto de las convenciones sociales y religiosas de su época, estos nos permiten mirar nuestra propia vida y la vida de los que están a nuestro alrededor para discernir los dones, la vocación que el Espíritu Santo nos ha dado para el bien de todos. Así también podemos conocer las alegrías y las penas de los otros miembros del Cuerpo y compartirlos para así fortalecer todo el Cuerpo de Cristo.

TRADICIONES DE NUESTRA FE

El día 3 de febrero se celebra entre misas, mariachis, fuegos artificiales y muchas expresiones de religiosidad popular, la fiesta de Nuestra Señora de la Concepción de Suyapa en Honduras. Fue un sábado del mes de febrero, cuando Alejandro Collindres, un joven humilde labrador, y Jorge Martínez, un niño de ocho años, la encontraron.

Según la tradición estos llegaron cansados a la quebrada del Piliguín. Acostándose sobre el suelo, Alejandro sintió lo que le parecía una piedra en su espalda. Por más que intentaba arrojarla lejos, cuando se acostaba sentía la misma piedra. Por fin en lugar de tirarla, la puso en su mochila y al amanecer descubrió que no era piedra sino una pequeña imagen de María (6.5 cm.) con rostro indígena tallada en madera.

En 1780 se le construyó un templo y en 1796 se registró su primer milagro. El Papa Pió XII la proclamó Patrona de la República de Honduras en 1925. En las advocaciones latinoamericanas ella es nombrada como la fortaleza de los humildes.
