Next weekend our parish will celebrate
World Mission Sunday: Propagation of the Faith

This year we are invited to act in solidarity with the missionaries. Every day, faithful missionaries are reaching out in the name of Christ, offering practical, emotional and spiritual care to communities, children and families in desperate need, bringing the light of Christ to the darkest of circumstances. During this year's 90th anniversary, World Mission Sunday celebration relates its theme to the Year of Mercy, "Mercy Changes the World." Pope Francis notes, "The mercy of God is His loving concern for each one of us…. As the Father loves, so do His children. Just as He is merciful, so we are called to be merciful to each other."
Your prayers and financial support is greatly appreciated.

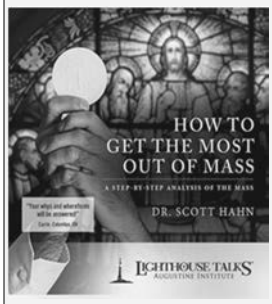
How to Get the Most Out of Mass



Dr. Scott Hahn takes us through the awesome grandeur of the Holy Sacrifice of the Mass, from the entrance song to the dismissal. With great clarity, he takes us through a basic outline of the structure of the Mass, explaining how the Sacred Liturgy transforms the ordinary into the extraordinary and the earthly into the heavenly. A must-have for every Catholic and non-Catholic who wants to know what the Mass is all about.

Did you Know?

The Importance of Emotional Boundaries

We discuss the importance of physical boundaries quite a bit, teaching children to understand privacy and the difference between good touches and bad touches. But emotional boundaries are just as important, if not more so, because abuse victims are often manipulated into trusting and believing their abusers. Predators can violate emotional boundaries fairly easily, worming their way into a child's life and creating a false relationship. Parents should talk to their children about appropriate boundaries for their emotional relationships — with teachers, the parents of their friends, and other adults in their lives. Children do not always have the emotional maturity to set their own boundaries, so parents should be on the lookout for anything that seems inappropriate or "off" about the relationships their children form with other adults.

¿Sabia Usted?

Discutimos la importancia de los límites físicos un poco, enseñando a los niños a comprender la privacidad y la diferencia entre las buenas formas de ser tocados y las malas maneras de ser tocados. Pero los límites emocionales son igual de importantes, si no más, porque las víctimas de abuso a menudo son manipuladas para confiar y creer en sus abusadores. Los depredadores pueden violar los límites emocionales con bastante facilidad, abriéndose camino en la vida de un niño y creando una relación falsa. Los padres de familia deben hablar con sus hijos sobre los límites apropiados con sus relaciones emocionales, con los maestros, los padres de sus amigos y otros adultos en sus vidas. Los niños no siempre tienen la madurez emocional para establecer sus propios límites, por lo que los padres de familia deben estar atentos a cualquier cosa que parezca inapropiada o "desagradable" sobre las relaciones que sus hijos forman con otros adultos.
