

Office of Victims Assistance Ministry Helps Abused Victims Find Healing

The Office of Victims Assistance Ministry of the Archdiocese of Los Angeles was created in April 2002 to respond to allegations of past or current sexual abuse by anyone working or volunteering for the Archdiocese - clergy, religious or lay persons. The Office is charged with creating a safe and compassionate environment in which victim-survivors can come forward and receive counseling and other assistance in the healing process. The Office is also charged with ensuring that allegations of sexual abuse are reported to the appropriate civil authorities.

Mandated Reporters of Child Abuse

Clergy, school personnel, and many parish staff members have been designated as mandated reporters of child abuse under California law. When one of these persons receives information leading to a "reasonable suspicion" that a child is being abused or neglected, he or she must make a report to the appropriate child protection or law enforcement agency.

Working Together to Prevent Child Sexual Abuse April 2022 — 2023

**Policies
Programs
Reporting
Resources**

My dear Brothers and Sisters,

As the Church continues to meet the challenges of this second year of the coronavirus pandemic, we remain vigilant in our commitment to child safety in our parishes, schools, and other ministries.

This June marks the 20th Anniversary of the U.S. bishop's "Charter for the Protecting of Children and Young People." And in these past 20 years, the Church in Los Angeles has trained more than 340,000 children and young people to protect themselves against abuse. In addition, we have trained 400,000 adults to know the signs of abuse and to be able to protect the children entrusted to them.

I am grateful to our dedicated staff and volunteers over the years. All of us in the Archdiocese of Los Angeles are blessed by their witness and commitment to the cause of preventing abuse.

In this brochure, and on our website, <https://lacatholics.org/protect/>, you will find important background and resources on our efforts to prevent abuse and to support victim-survivors. Thank you for your commitment to ensure that children and young people are safeguarded in our parishes, schools, ministries, and communities. Together we are making a difference.

I entrust all our children and families to the tender care and protection of Our Blessed Mother Mary.

+ José H. Gomez

Most Reverend José H. Gomez
Archbishop of Los Angeles

"Let us find the courage needed to take all necessary measures and to protect in every way the lives of our children, so that such crimes may never be repeated."

(Pope Francis Letter on Zero Tolerance - December, 2016)

Implementation of the Charter for the Protection of Children and Young People

The *Charter for the Protection of Children and Young People* was adopted by the Bishops of the United States in June 2002. This important document contains the Essential Norms which are the Church's response to child sexual abuse and the foundation for a concrete plan to proactively prevent child sexual abuse. Key components of the implementation of the *Charter* in the Archdiocese of Los Angeles include:

Office of Safeguard the Children and Safeguard the Children Parish Committees

The establishment of the Office of Safeguard the Children and formation of Safeguard the Children Parish Committees has been mandated since 2002. The Office of Safeguard the Children assists these permanent Parish Committees in implementing child sexual abuse prevention education, Safe Environment policies, procedures and resources.
