Immigration & Refugee News

We need a truck and driver! When our refugee family arrives, we will have furniture and household supplies to move to their apartment. The furniture procurement team is looking for a third truck and driver to help lighten the load. Moving day will most likely be in early January. If you can help in this way, please contact Jim Weber at 206-694-3482 or jimweber1@yahoo.com.

Waiting for notice about the family is hard! The latest estimate is that our family assignment will happen in early January. The family will arrive at SeaTac about a week later. Please keep our family in your prayers wherever they are right now.
