My Dear Parishioners,

Praise be Jesus Christ! In each convent chapel of the Missionaries of Charity, there is found next to the Crucifix, Jesus' words: "I Thirst". They're there because Mother Theresa attentive to Jesus' Thirst, wanted her Sisters to be attentive as well. As we enter this last full week of November prior to Thanksgiving, It's a good time for us to be take note of Jesus' Thirst and to be grateful for it! His thirst is manifested in every heart-ache, tooth-ache and pain which we could ever experience; But His Thirst is also a great manifestation of His Love. His Thirst is the reason for our Hope!

As we enter this week, I encourage you to make a NOVENA of THANKSGIVING. Take a moment each day to note the THIRST of your heart and spirit; mind and body. Then note Jesus' Thirst, for you. And BE GRATEFUL! This exercise has great power to make our thanksgiving on Thanksgiving to be more than turkey and stuffing! It has power to save. Such a novena can begin this Tuesday of this week and can be accompanied by the following Litany. Join me in this prayer!

Peace,
Fr. Rogers

How to Save a Life in One Minute

November is Donor Sabbath Month

This is Shawn Doyle, a parishioner here at St. Joseph's and one year ago I received a second chance at Life - a double lung transplant. Words are not adequate enough to express how grateful I am to God, my amazing medical team at Temple University Hospital and of course my donor and their family.

Now I am so blessed to be able to continue to enjoy a happy, healthy, very active second chance life with my family.

If it were not for my donor who took one minute to register to be a donor at donors1.org, I would not be here to share my story. It really takes only a minute to register. One donor can save 8 lives and a tissue donor can help about 100 others.

Please consider being a donor and register today.

Thank you,
Shawn Doyle

What Our Faith Teaches Us About... Migration

Brought to you by the St. Joseph Faith and Justice-CRS Team

"Nations have a right to regulate their borders and safeguard the communities within them and also an obligation to accommodate, to the extent they are able, those migrating in order to preserve human life. When a person in need comes before us, we don't ask for documentation before providing food, clothing, and shelter. Rather, we recognize their inherent God-given dignity and the reality that every migrant is a human person who, as such, possesses fundamental, inalienable rights that must be respected by everyone and in every circumstance."

SEEK Fundraising Request

Hello St. Joe's! We are looking for financial support to attend SEEK, a national Catholic youth conference which is being held in Columbus, Ohio this year. Our names are Cami and Caitlin Jacobson, and we are college students. We live at home, so we are always looking for Catholic community in our age bracket, and SEEK is the place for this!

SEEK brings together thousands of young Catholics for Mass, Adoration, confession, and inspiring talks from speakers such as Fr. Mike Schmitz, Scott Hahn, Jason Evert, and Emily Wilson. The cost of attendance is significant, however, so we would be incredibly grateful for any contributions to our trip!

If you feel called to support us, your donation through these links will go directly to support FOCUS, and help fund our trips. Thank you so much for your generosity!
