Thank you for supporting CSA.

Dear Fellow Parishioner,

Our parish's 2025 Catholic Services Appeal (CSA) campaign is in full swing, and we are hoping to approach its close this summer. We are heartened by the generosity of our parish community, with a participation rate of 16% so far - and growing. If you're receiving this email, we hope you are soon to be in the "and growing" category! The CSA drive is a vital Diocese-wide effort and a beautiful opportunity for our parish to unite in faith and generosity, supporting ministries that touch lives within both our North Tahoe community and our larger regional area.

Every donation counts and the number of parishioners who participate matters just as much as the amount given. 91 of our 550 registered parishioners have participated to date; and we are currently \$37,526 short of our Diocese-set goal of \$124,877. Exceeding this goal would be a blessing, as surplus funds return directly to St Francis of Assisi to support our parish.

If you are an annual CSA contributor but have not donated yet this year, or if you are new to the CSA campaign, we invite you to join us in this meaningful effort now. No gift is too small, and every donation brings us closer to our shared mission. You can get more information and donate securely online at:

<https://www.catholicreno.org/catholic-services-appeal-2025>

Once online, scroll down to choose "Pledge Card" or "Donate to CSA", depending on how you would like to contribute. Follow the prompts to specify "CSA" and "St Francis of Assisi Parish". You can also drop off cash or a check at the church office, or mail your donation to St Francis of Assisi, 701 Mt Rose Hwy, Incline Village, NV 89451. For further assistance with online giving or to confirm your contribution, please contact Ileana, our Financial Administrator, at (775) 831-0490.

Thank you for prayerfully considering a gift to the 2025 Catholic Services Appeal. We hope to significantly increase participation and reach or exceed our parish goal in the coming weeks! Together, we can reflect the loving spirit of our parish community by supporting our broader Catholic family.

In Christ's Peace,

Elaine & Billy Haynes

Those who have volunteered previously have found it to be a very humbling and rewarding experience.

If interested in participating, please sign up for a date(s) as follows:

- **September 19**

We can take up to 10 volunteers each date. Please do not sign up if you will not be able to commit to actually participating.

Please contact Renee at cbzno1bb@yahoo.com if you would like to volunteer. Please do not sign up if you will not be able to commit to actually participating.

We are "On the Boat Together," as Pope Francis writes in his final document of the Synod on Synodality:

For a Synodal Church: Communion, Participation, Mission

It is, together, in the synodal journey "where the practice of conversation in the Spirit, community discernment, sharing of vocational gifts and co-responsibility in the mission is growing."

Why should I care about a parish synod?

A synodal journey is **walking** together, **listening** to one another, and **discerning the path forward** as a unified body in Christ, guided by the Holy Spirit.

And this matters because?

It benefits the whole community. Beyond your direct ministry, embracing synodality has profound benefits for the parish as a whole because a synodal parish is:

More Missionary: The end goal of synodality is to make the church more effective at evangelization by making it more participatory and inclusive.

A Community of Communion: Synodality strengthens the bonds of communion within the parish. When parishioners feel heard and valued, they are more likely to engage actively in parish life, fostering a stronger sense of belonging and shared purpose.

Discerning and Responsive: Through synodal processes, the parish can better discern the signs of the times and respond more effectively to the challenges and opportunities it faces.

Countering Clericalism: By actively involving the laity, including your catechumenate team, in meaningful dialogue and discernment, the parish moves away from a purely top-down approach and embraces the gifts and charisms of all its members.

Embracing synodality requires a shift in mindset and a willingness to listen and dialogue, even when facing differing viewpoints. If we can make that shift in mindset, we will see a more vibrant, participatory, and missionary church, and a deeper, lifelong conversion for those journeying towards Christ.

We are excited to announce our Parish Mission scheduled for September 7, 8, 9 from 6:00 – 7:30 pm at the Church.

The Mission will focus on the theme of
“Formed in Christ; One in the Spirit”
and will be led by Julissa Espinal from Hallow.

Sept 9th – 6:00-7:30 p.m., Bilingual including Adoration, followed by wine and nibbles.

Dear Brothers and Sisters in Christ,

With gratitude to God and to each of you, I am pleased to share with you the Annual Parish Financial Report for 2024-2025. This report provides an overview of how your generous contributions of time, talent, and treasure have supported our parish's mission throughout the past year.

Your faithful stewardship has enabled us to celebrate the sacraments, strengthen our liturgical life, support our parish ministries, maintain our facilities, and assist those in need. Together, we continue to live out the Gospel and build up the Body of Christ in our community.

I want to thank each of you for the many ways you give—through prayer, volunteer service, and financial sacrifice. Your generosity is a true witness of faith, and it allows our parish to remain a place of worship, welcome, and hope for all.

As we look ahead, let us continue to work together as one family in Christ, trusting that God will bless our efforts and guide our parish in the year to come.

Please take some time to review the enclosed report. If you have any questions, do not hesitate to contact Iliana in the parish office. Transparency and accountability are important to us, and we welcome your thoughts.

May the Lord bless you and your families abundantly. Be assured of my prayers for you each day.

Bishop Mueggenborg's Gospel Reflection

Twenty-first Sunday in Ordinary Time - August 24, 2025

Our scripture passage comes from the Gospel of Luke 13:22–30. In this scene, someone poses a question of faith that manifests their religious curiosity. Jesus responds not by answering the question but by redirecting the person's focus to where their attention should be placed. If they are not striving to enter the Kingdom of God now then they may never enter. Let's study this passage in detail to better understand what it means for us as disciples.

The person who poses the question to Jesus is someone who heard Him teach as our Lord made His way to Jerusalem. The person addresses Jesus with the title "Lord" which indicates that he was favorably disposed to Him and may have even been a disciple. His question reflects the religious curiosity of someone who is exploring the details of faith and discipleship. It also reflects the curiosity that seeks ever-greater knowledge, even to the point of becoming an unhealthy pursuit of religious trivia for its own sake. Sometimes it's possible for a person to become infatuated or distracted with religious things while not pursuing a committed relationship with the person of Jesus Christ.

Jesus does not answer the man's question. Rather, our Lord redirects his attention towards actively trying to live out discipleship. This interchange invites us to reflect on the nature of discipleship and what it means to be a person of faith. Following Jesus requires more than just knowledge of religious information; following Jesus means being conformed to Him through a transformation of life (repentance). Therefore, Jesus responds to the question by telling the man he should be striving now to enter the narrow door of the Kingdom of God and not just wondering how many people will get in.

No one has ever been declared a saint because of what they knew, but because of how their lives were conformed to Jesus. Such transformation is an ongoing challenge in a Christian's life. If people are not striving for holiness each day, then they have become complacent in their discipleship. Saint Paul challenged the Christians of his community similarly when he said, "Work out your salvation with fear and trembling" (see Phil 2:12).

- What religious fascinations in our world today can distract people from the daily task of real discipleship?
- How do you know when a religious interest or curiosity has become a distraction?
- What aspect of your faith do you find difficult to live out in practice?
- What is the armor we hide behind that God wants us to get rid of so we can be more authentically ourselves?
- What are the means of aggression we need to leave behind?
- What is the baggage we carry with us that has no place in the Kingdom of God?
- Entering the Kingdom of God means becoming vulnerable to the Lord. How does the image of the Narrow Door fit with your experience of Christian Discipleship?

Sunday Q&A

Your Faith in Focus

ANSWERING THE BIG QUESTION

What is the point—the purpose and meaning of life?

Our Catholic Faith speaks directly to this central question. In one of their Ascension Presents videos, Jackie and Bobby Angel pose the query in a different way, asking, “What’s the point?” This reflection presents an answer.

Written On the Human Heart

A survey conducted in 2023 reported that 58 percent of people in the United States (ages 18–25) felt that life was meaningless, purposeless.* In contrast, the *Catechism of the Catholic Church* affirms that “the desire for God is written in every human heart, because man is created by God and for God; and God never ceases to draw man to himself. Only in God will he find the truth and happiness he is searching for” (CCC 27).

Most of the young people in that study sound hopeless, but that depressing point of view has no foundation. If we turn to God, we will find truth and happiness. We were created in God’s image, and our destiny is to spend eternity with God in heaven.

When Bobby taught in a high school, he was invited to graduation parties. The gift he gave was *Man’s Search for Meaning* by Victor Frankel, a Holocaust survivor. Frankel, an Austrian Jewish psychologist, went to the

death camps and saw firsthand what happens when people give up hope, when they abandon meaning. They completely give up. The power of hope is born of the genuine belief that God is in control. Frankel’s book, set against the dark backdrop of a concentration camp, draws readers to that conclusion.

Pray to the One who gives meaning to your life.

We were made for more than what’s here and now. Since this isn’t your final destination, you *can* have meaning and purpose. God is the only one who can satisfy that ache and longing in your heart.

Ask the Lord to reveal to you what’s going on in your heart. Is this message of meaning and purpose stirring? Then let your prayer be, “Lord, help me know that you know me by name and that you are calling me to great things in this life. In Jesus’ name, Amen.”

Toiletries Collection

During this vacation season, please do not forget the need for toiletries for the homeless. If you stay in hotels or resorts that provide amenities in your room such as soaps, shampoo, lotion, etc. and if you do not use them, please bring them to the Gathering Area at church and deposit them in the basket on the fireplace hearth. Or you can purchase toiletries and bring them to the church. The homeless are always in need of these items which we take for granted on a daily basis. Thank you for your continued support of this ministry.

God bless you for your generosity.

- What is the role of the Rosary in your life? Have you tried praying along with an app or other tool?
- What would be the best and most realistic course for you to continue to grow in your own relationship with Jesus and Mary through the Rosary?
