Support Catholic Education

Catholic education has been an integral part of Ontario's history for more than 160 years. As a vital component of the province's publicly funded education system, Catholic schools educate nearly 600,000 students each year.

Did you Know? Your school support defaults to **English Public** each time you move residences. You must re-declare yourself as **English Separate**. It is important to regularly verify your tax-directed support by checking your property tax bill or speaking to your landlord. You may also call the Municipal Property Assessment Office at 1-866-296-6722 to complete school support changes for electoral purposes or to add a name(s) to an existing address.
