Family STEM Night- Postponed

Due to unforeseen circumstances, our highly anticipated Family STEM Night has been rescheduled to April. We are working to ensure it will be a fantastic event with engaging activities and learning opportunities for everyone.

We appreciate your understanding and continued support. More details about the event will be shared in the coming weeks. We look forward to seeing you there for an evening of fun and exploration.

Intent to Enroll

Intent to Enroll forms are now due, and it is essential to return them to the school promptly. These forms play a crucial role in planning and preparation for the upcoming school year. They allow us to accurately determine staffing needs, classroom assignments, and resource allocation. Additionally, timely submissions help us manage enrollment effectively, ensuring that all students are accommodated and have the best possible learning environment. We appreciate your cooperation and understanding in returning the Intent to Enroll forms as soon as possible.

School Survey

Parents and guardians, we extend our heartfelt thanks to those who have already taken the time to complete our school survey. We've received fantastic feedback so far, and there's still time for you to share your thoughts. Your input is invaluable in helping us improve our school community. Don't miss this opportunity to make a difference!

Penny Wars

The excitement has been building, and the results are finally in! Our school's Penny Wars has come to a thrilling conclusion, and we are proud to announce the winning class: 5th grade! They collected an impressive \$320.73, demonstrating their incredible dedication and teamwork.

Overall, our school raised a staggering total of \$1,190.40! This amazing achievement wouldn't have been possible without the enthusiastic participation and generous contributions of all our students, teachers, and families. The funds raised will be donated to support a local military family in Jones County. This incredible family is preparing for a year-long deployment, with Dad serving overseas and Mom caring for their two young children at home. Thanks to a great week of teamwork, we get to show them the love and support of the St. Patrick School community!

As a reward for their outstanding efforts, the 5th grade class will be treated to a special party featuring a movie and Blizzards. We hope they enjoy this well-deserved celebration!

Golden Trashcan

Each week, we award the prized Golden Trash Can to the classroom that maintains the cleanest room. The winning class is announced at the start of the week, and there's always a surprise waiting inside the Golden Trash Can for the lucky winners. This initiative encourages our students to take responsibility for their classroom and promotes tidiness and order. Congratulations to Mrs. Kula 3rd grade class!

Keep Christ in Christmas

We are excited to announce the winners of the Knights of Columbus-sponsored poster contest, "Keep Christ in Christmas." The contest encouraged students to showcase their creativity and artistic skills while sharing their faith.

We extend our heartfelt congratulations to all the winners and participants for their outstanding contributions. We would also like to thank the Knights of Columbus for their generous support and for bringing cookies to all the students in recognition of their participation.

Winners:

- Lucas Frommelt
- Natalie Koopman
- Ian Sievert
- Brant Ruggles

The Knights of Columbus are proud to support initiatives that foster creativity, faith, and community spirit among students while keeping the true spirit of Christmas alive.

Fundraiser

Our fundraiser is running from January 23rd to February 14th, and we're thrilled to see such a fantastic turnout! With just one week left, let's make this year a record-breaking success. We still have a few boxes of World's Finest Chocolate available, so if you need more, please stop by the front office.

Important Reminder: Money must be turned in by February 14th. Please note that boxes cannot be returned if they have been opened.

ABC Preschool Development

Reading to preschoolers is a crucial part of their development. It not only enriches their vocabulary and comprehension but also boosts their cognitive abilities. By sharing stories with children, we inspire a love for books and learning that lasts a lifetime. Storytime is more than just reading; it's an opportunity to help children build empathy, understand social interactions, and form strong bonds with those who read to them. Early exposure to reading lays a solid foundation for academic success, as it equips children with essential language and literacy skills. As educators, we recognize the profound impact of reading on a child's growth and strive to make it an integral part of their daily routine.

Valentines Party

We are excited to announce that we will be having a Valentine's Day party in the classroom on February 14th & February 13th for PK4. All students are welcome to bring and exchange valentines with their classmates. Your teachers will be sending out details with names and additional information to help make this event special for everyone. We look forward to celebrating this fun and festive occasion with our students!

Did You Know?

Starting in the 2025-2026 school year, ALL Iowa resident K-12 students attending an Iowa accredited nonpublic school will be eligible for Education Savings Accounts (ESAs), regardless of their income. Please note that all families will be required to apply.
