From the Pastor's Pen ~

The Feast of the Holy Family reminds us that Jesus lived in a real family. He had a mother and a father who cared for Him and protected Him. Mary and Joseph did not have easy lives, but they trusted God and followed His plan. Their home was simple, but it was full of love.

This feast helps us think about our own families. Every home has struggles. But like the Holy Family, we are called to listen to God and care for each other with patience. Love grows in quiet moments, hard choices, and daily kindness.

The second reading this weekend calls for compassion, kindness, and patience. These virtues are essential for building harmony within families. Compassion means being sensitive to each other's struggles. It means listening and offering support without judgment. Kindness is about choosing to be gentle in words and actions, even when conflicts arise.

De la plume du pasteur ~

La fête de la Sainte Famille nous rappelle que Jésus a vécu dans une vraie famille. Il avait une mère et un père qui prenaient soin de lui et le protégeaient. Marie et Joseph n'ont pas eu une vie facile, mais ils ont fait confiance à Dieu et ont suivi son plan. Leur maison était simple, mais elle était remplie d'amour.

Cette fête nous aide à réfléchir à nos propres familles. Chaque foyer connaît des difficultés. Mais comme la Sainte Famille, nous sommes appelés à écouter Dieu et à prendre soin les uns des autres avec patience. L'amour grandit dans les moments calmes, les choix difficiles et la gentillesse quotidienne.

La deuxième lecture de cette fin de semaine appelle à la compassion, à la gentillesse et à la patience. Ces vertus sont essentielles pour construire l'harmonie au sein des familles. La compassion signifie être sensible aux difficultés de l'autre. Elle consiste à écouter et à offrir son soutien sans juger. La gentillesse consiste à choisir d'être doux dans ses paroles et ses actions, même lorsque des conflits surgissent.

...continued from front page

Patience is crucial in family life. People make mistakes, and growth takes time. Patience allows us to accept each other's limitations while encouraging positive change. It prevents us from reacting harshly or giving up on each other.

Trusting God's guidance is not always easy. It often involves stepping into the unknown, just as Joseph did when he fled to Egypt. It means letting go of our own plans and allowing God to lead. This requires courage and humility. It challenges us to believe that God's ways are better than our own.

While I encourage all of you to look at these facets for your families at home, we also need to look at them for our Family of Parishes. Reflecting on the above, our Family needs to be simple but full of love. We may struggle as we strive to build our Family, requiring us to listen to God and approach one another with compassion, kindness, and patience. We need to listen to one another and offer support without judgement. We need to accept the limitations of one another while we foster and appreciate the gifts we each have. It requires us to trust that God is guiding us and letting go of our own plans (or the "that is the way we have always done it" kind of thinking). As the Holy Family was blessed by following God, so too will we be if we are open to the Spirit's guidance. (excerpts taken from youth-catholics.com)

Fr. Matt ~ Pastor

...suite de la première page

La patience est essentielle dans la vie familiale. Les gens font des erreurs et la croissance prend du temps. La patience nous permet d'accepter les limites de chacun tout en encourageant les changements positifs. Elle nous empêche de réagir durement ou de nous abandonner les uns les autres.

Il n'est pas toujours facile de faire confiance à la guidance de Dieu. Cela implique souvent de s'aventurer dans l'inconnu, comme l'a fait Joseph lorsqu'il s'est enfui en Égypte. Cela signifie abandonner nos propres plans et laisser Dieu nous guider. Cela demande du courage et de l'humilité. Cela nous met au défi de croire que les voies de Dieu sont meilleures que les nôtres.

Je vous encourage tous à réfléchir à ces aspects pour vos familles à la maison, mais nous devons également les examiner pour notre famille de paroisses. En réfléchissant à tout cela, notre famille doit être simple mais pleine d'amour. Nous pouvons rencontrer des difficultés dans nos efforts pour construire notre famille, ce qui nous oblige à écouter Dieu et à nous approcher les uns des autres avec compassion, gentillesse et patience. Nous devons nous écouter les uns les autres et nous soutenir sans jugement. Nous devons accepter les limites de chacun tout en cultivant et en appréciant les dons que nous avons tous. Cela exige que nous ayons confiance en Dieu pour nous guider et que nous abandonnions nos propres projets (ou notre façon de penser « c'est comme ça que nous avons toujours fait »). Tout comme la Sainte Famille a été bénie en suivant Dieu, nous le serons aussi si nous sommes ouverts à la guidance de l'Esprit. (extraits tirés de youth-catholics.com)
