Playing chess can impart valuable virtues and lessons essential for success in life.

This one-on-one game requires concentration and the ability to anticipate future moves, both yours and your opponent's.

While it might seem like a pastime for long Siberian winters (Russia boasts the highest number of grandmasters recognized by the International Chess Federation), chess is indeed a sport. It's not just a game; it's a mental battlefield that demands significant mental exercise and teaches numerous values. Here are some lessons you can learn from playing chess:

1. ****Think before you make decisions****: Every move has consequences. Moving a pawn forward might seem insignificant, but it could expose your queen or king. Our words and actions have consequences in life, so we must think before we act and reflect before we speak.
2. ****Pay attention from the first move****: Chess requires constant focus. You can't afford to be distracted, even at the beginning. Being careful from the start can prevent mistakes and missed opportunities.
3. ****Look ahead at different possible scenarios****: In chess, you must imagine the potential outcomes of each move and how your opponent might react. This foresight is crucial in life, as our decisions today can have significant and long-term effects. It's a reminder of the weight of our choices and the importance of thinking ahead.
4. ****Make a move****: Chess tournaments have time limits, forcing players to make decisions promptly. Similarly, we must avoid getting stuck in indecision and take action when necessary.
5. ****Be patient****: When your opponent makes a move that allows you to capture a piece, acting quickly is tempting. However, chess teaches us the value of restraint. Patience is essential to avoid falling into traps. In life, it helps us resist impulses and make better decisions. It's a reminder that sometimes, the best move is to wait.

Another important point to remember is the role of the Queen, who has great power and can influence and guide the interaction between the other pieces. Our Blessed Mother Mary is our Queen, who helps each one of us stay close and protect our relationship to the King, Jesus Christ, our Saviour and Lord. Look to our Blessed Mother to assist us in powerful ways in the chess game of life.

These lessons from chess can be applied to real life in various ways. For instance, thinking before making decisions can help in career planning, paying attention from the start can prevent errors in a project, and looking ahead at different possible scenarios can aid in financial planning. This makes board games more than just a way to pass the time—they're training for life and in the ways of faith.

Faithful Friar..... Sir Knight Fr. Mark Poulin

Thank you to all who have purchased a polo, fleece jacket or tee shirt with the name of our Assembly. Additional orders are underway. Realizing that this is a time for Canadians to display our patriotism, we will see about embroidering a Canadian flag on the garments.

Dear SKs and our Assembly, Brother Knights and Friends.....

HONOUR GUARD IS BEING REKINDLED

Our worthy Assembly which has existed since 1979 is eager to continue to grow its Honour Guard and is poised to become the next leader in this regard in our area. Windsor's first Assembly Dean Wagner 0862 which was established in 1916, has '***moved on***' in terms of updating itself with the new uniform and now sports about 16 in the new attire. This leadership to '***move on***' was prompted by the late recent Past Faithful Navigator of Dean Wagner, **SK Marc J. Morneau** (Nov. 21, 1954—Jan. 27, 2025) who thought that since his Assembly was the eldest in our area, that it should show leadership. As mentioned, they currently have 16 who are equipped. SK Marc was number 17. Their Commander Larry Coleman also pushed for this resolve to accept what '***the Order***' opted to do over seven years ago. HGs Carl Baillargeon, LaVerne Martins, David Lee and myself took part in a regional Honour Guard at either the wake prayers or the funeral mass for SK Marc. There were 17 Honour Guard in place for his funeral mass at Our Lady of Mount Carmel.

Our Assembly was at **five Honour Guard** with LaVerne Martins, Carl Baillargeon, David Lee, Ron Barnhard and myself. SKs John Chenier and Jack Regnier, Mike La Butte and Ed Charbonneau now have their suits and SK Vince Buglisi is about to order his. **That will place us at ten**, which is a good start. We therefore encourage anyone else in our Assembly or a third degree knight in good standing to come on board and to take part in the rewarding fraternal, ceremonial, community and religious events that helps to enhance the presence of the Knights of Columbus in the Windsor area. Future opportunities will abound for a local Honour Guard!

EXEMPLIFICATION: MARCH 22, 2025 What a great opportunity to join the Fourth Degree and to experience a **full Exemplification**! In this year of the **125th Anniversary of the Knights of Columbus in Ontario**, our District Master of the Fifth Ontario District, **SK Paul Johnston** has arranged with Dormer Assembly in London to host the event on **Saturday, March 22, 2025** beginning at 11:00 am at the Regina Mundi Catholic College, 5250 Wellington Road South, London. All SKs and their spouses and new candidates are invited to attend. A mass for all will ensue at 4:30 p.m. at St. Justin's Parish, 855 Jalna Blvd. Dinner will begin at 6:00 p.m. in the St. Justin's Parish Hall. Contact FN Jerry Marcotte for further details. Forms must be submitted by March 10th. The cost for the dinner is \$45.00 per person. All newer Sir Knights who may have been brought into the Fourth with a mini-exemplification are reminded of their promise made at that time to ***participate in a full Exemplification***. This is so that all will experience this memorable ceremony as well as the fraternalism that is shared.

As of this date (Feb. 21st), **Bro. Joe Bachetti**, a member of Council 4375 and deputy-mayor of Tecumseh along with his wife Brenda are planning on attending the Exemplification. A number of us from the Assembly are planning on attending in support of all of the candidates. '***Waiting in the wings***' to join our Assembly is Bro. **Russel Nacy** from Council 8919.' who will be awaiting a local 'mini-exemplification'. If any other Third Degree Knight in good standing believed that this is his time to '***Join the Patriotic Degree***' then kindly give me a call to discuss.

As of this date, (Feb 23rd), I am pleased to report that **SK Alan Sims** has concluded his visit at Hotel Dieu and is back home. All the best for your continuing recovery. **SK Art Huggins** has relocated from Hotel Dieu to the Windsor-Western Hospital, Tayfour Campus. and we wish him, as well, success in his medical challenges.

I wish to thank Captain Ron Barnhard for leading our January General Meeting in my absence.

On the behalf of my wife Donna and myself, we wish all a meaningful and hope-filled Easter Season

Jerry J. Marcotte,

PGK, FDD, FN of Assembly 1789

Faithful Captain – S.K. Ron Barnhard

Dear fellow Sir Knights,

I wish you and your families a Happy Easter and encourage you to attend the ceremonies being offered at your parishes. In the weeks leading up to Easter, numerous parishes are offering pancake breakfasts or fish dinners. Please support them by inviting family and friends out. It is a good way to get to know your fellow parishioners.

I am happy to say that since our last newsletter publication our assembly has practically doubled the number of our members with the new Colour Guard uniform.

We are going to start the planning for our third annual Joint Barbeque Steak Dinner which is scheduled for **Saturday, May 24, 2025. Be sure to save the date!** If you would like to help with this event please let us know.

Thanks**Ron Barnhard**

Faithful Captain of Assembly 1789

Pictured here is **Bro. Ted Rocheleau of Butch's Best BBQ Sauce.** Many may be familiar with his fine quality product as he has supplied us for our annual **Joint Steak BBQ Fundraiser.** Ted has had good luck with charitable groups, sports teams offering these handy squeeze bottles. They retail for an even \$10.00 each. It is described as *'Tangy and sweet with a little bit of heat'* and are now available in a range of heat levels. I suggest that with

the increasing trend to **buy local and to buy Canadian** that this would be a good venture.

This can be a success if ALL do their part and offer this to family and friends!

Before long, the BBQs will be firing up!

Our Assembly will look at how this might be a fruitful project for us! If all on our roster could sell a few to family and friends, it would be a success! We will be selling at the Exemplification in London.

Commander and PFN Baldrics

Realizing that Sk LaVerne Martins and Sk John Chenier have equipped themselves with the current uniform, the Assembly gifted them a purple Commander's baldric for Laverne and was to present a FN's baldric to John as he is PFN of Marentette Assembly, but John already had one! Thanks to you both for promoting the Honour Guard in 1789.

The Knight Motivator

Go ahead, make my day by starting with God First!

What can I do today to reflect some of Jesus's love and light in the world?

Am I operating at the best, and highest version of myself, by being a good Christian, not just on Sundays?

Regards.....

S.K. Edward Raymond

May the blessings of God
keep you happy and healthy
on St. Patrick's day and always.

This letter was recently sent to the District Deputies to circulate to Councils (and Assemblies). It realizes that a float that promotes the K of C locally benefits all! This is largely a one-time cost.

Fr Mc Givney Statue Site Committee — K of C Territory 9

Re: K of C Trailer, Request for Donations.

January 19 2025

Dear Grand Knights and Faithful Navigators of Districts #10, 21, 23, 39, 76, and 88,

In the late summer of 2024, the Fr. McGivney Statue Site Committee facilitated the purchase of a 20 ft.- 2 axle trailer to be available for use by our local Windsor/Essex County K of C Councils and Assemblies at the various parades which occur throughout the year in Windsor/Essex County. This project was initiated by the idea of Br. Drew Tarnowski, GK of Archbishop Denis O'Connor Council #14969. Br. Carl Baillargeon, DGK Tecumseh Council # 4375, skillfully rebuilt and transformed this trailer, along with the assistance of various other Brother Knights, to become a structurally sound and useful tangible asset for local knights.

This trailer was used during the 2024 Windsor Santa Claus Parade as well as the Harrow 2024 Christmas Parade. Note that this Trailer was the **ONLY** Float which had a **Nativity Scene** thereon during the 2024 Windsor Santa Claus Parade, and was viewed by a great number of onlookers and was the subject of numerous photos and videos. As Knights, we might like Santa Claus, but we certainly know that Christ, not Santa Claus, is the centre of the Christmas Season. This Trailer emphasized this point in a direct and actual way. Onlookers loved it, with **Merry Christmas** being shouted all the way through the parade route by the many happy parade onlookers. This trailer is not merely a piece of machinery. **This trailer is a very visible mechanism whereby the Knights and their message of Catholicity is transmitted to the public at large.**

The trailer, including its numerous modifications, has cost approximately \$3,000 of which \$500 has already been recouped from the kind donation of the Br. Sonny Sangemino Agency. A kind donation from Harrow Council #5350 for its use during the 2024 Harrow Christmas Parade is also forthcoming.

We are asking Councils and Assemblies for a donation to offset the cost of this trailer. Kindly print this letter and present it to the members of your Council/Assembly during your meetings.

Payment can be mailed via cheque payable to: LWDA Fr McGivney Bricks

Or via e-transfer to: territory9steeringcommittee@gmail.com

Cheques should be mailed to: Br. Carl Baillargeon, 2563 Banwell Rd, Tecumseh ON N8N 0G6.

Donating Councils/Assemblies will be acknowledged during the April 2025 LWDA Meeting.

Vivat Jesus,

John P Semaan, PGK PFN on behalf of the Fr McGivney Statue Site Committee:

Br Alan Sims, Br Jerry Marcotte, Br John P Semaan, Br Dan Pergolesi, Br Gord Edwards, Br Carl Baillargeon, Br Paul Brownlie, Br Drew Tarnowski.

PS: Plans are already in motion to use this Trailer during the Windsor July 1st Canada Day Parade.

Remembering an exemplary DGK and PFN and DD...

It has been said that when you lose someone to this life, that one appreciates more the “*gift of memory*” one can utilize so as to recall at will the impact that that person had upon you.

In the spirit of the fraternalism that exists in the Third and the

Fourth, one

local leader that was so engaged locally and who succumbed to an illness in but a matter of months, is **SK Marc J. Morneau** who died on January 27, 2025. Relocating back after 36 years following a leadership-style career that took him throughout Canada and assignments in Europe he moved to south Windsor and connected with Our Lady of Mount Carmel Parish. He retired as the Regional Sales Director of Eastern Canada in one of Canada’s leading food, beverage and cheese importers and distributors.

Marc was a PGK of Council 5073 in Burlington and a 2 term GK with Our Lady of Mt. Carmel Council 13405. He later served as FN of Dean Wagner Assembly 0862. A while back, Marc was a guest speaker at a meeting of Council 4375 to provide information on UKnight and setting up a council website. Hence, Dean Wagner employ a useful website where SKs can sign up for participation at events. As well, with the change in the approved ‘new’ Fourth Degree Honour Guard uniform seven years ago, Marc was one of those accepting change and promoted compliance within his Assembly. They now boast about 16 or more in the ‘new’ attire and the Assembly fields numerous requests for Honor Guards and so his SKs can be as busy as they wish. His assembly has been a motivator for other local assemblies. Marc always had as friendly presence at area- wide K of C happenings.

On Friday, January 31st, a large number of Brothers and Sir Knights from across Windsor and the county, gathered for a wake prayer at Families First on Dougall. GK Marc Vallee of Council 13405 and SK Paul Brownlee from the Assembly shared personal remarks about the impact of SK Marc on both the council and the Assembly. SK Paul Brownlee shared how Marc’s efforts at incorporating ‘*fraternalism*’ in the meetings have improved the participation in his assembly. Marc was in place plying his leadership skills as the District Deputy of District 10 immediately prior to his death.

Seventeen Honour Guard and numerous knights throughout the church gathered to bid farewell to Marc at his funeral mass Feb.1st. He was attired in the latest version of the Fourth Degree attire. Of all his accomplishments in his career and as a spouse, father, grandfather, brother and uncle, it is moving to see how proud he was of his faith. Fr. Michael Parent, the homilist at the mass, called for all to ponder how meaningful physical suffering can be in the context of our faith. Fr. Mike reflected on the symbolism of Simon of Syrene carrying Jesus’ cross and how it is sometimes a gift to bear a burden.

As shared in his obituary.... “*Marc was the beloved husband of 50 years to Sandra (nee Ducharme) and is the father of Jason (Tammy) and Jeffrey (Tricia). He was the cherished p  p   of Abigail, Taylor, Benjamin, Landon, Joshua and Carter, He will be missed by his brothers Gerry (Patti), Tom (Susan), Pierre (Cindy), John (Marie-Jos  e) and David (Nancy) as well as many nieces and nephews*”

At a luncheon that ensued after the funeral, it was rewarding to hear testimony from the family of how Marc was always there for them and so involved in their lives. SK Marc was indeed exemplary in many dimensions.

May his memory of pride in his faith, love for his family and activism in ‘*The Order*’ live on as an example to many.

EXEMPLIFICATION... March 22, 2025

....at Regina Mundi College In London

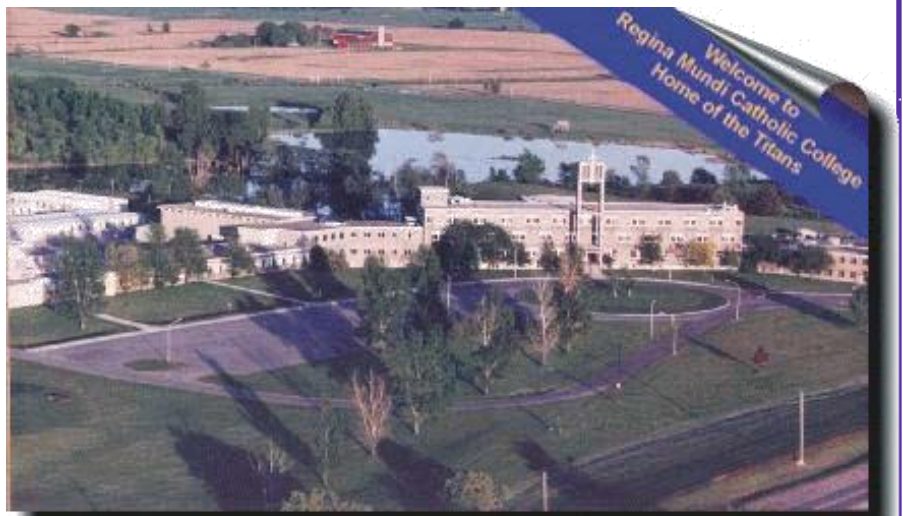

The **5th Ontario District** of the **Fourth Degree** is inviting all candidates for entry into the **Fourth** as well as current Sir Knights and their families to attend a special '**125th**' **Exemplification** at Regina Mundi College, 5250 Wellington Road South in London. All **Third Degree Knights** as well as newer Sir Knights who have not experience a '**full**' Exemplification are urged to attend. This will be a memorable and '**special**' ceremony as it marks 125 years since the founding of the Fourth Degree. Registration is at the college from 12:00 pm to 12:30 p.m. Candidates will have to have been accepted by their proposed Assembly. All registrations forms and your Form 4 must be emailed to **District Master Paul Johnson** by March 10, 2025.

Spouses and families are welcomed to attend. Following the ceremony a 4:30p.m. Mass will ensue at St. Justin's Parish, 855 Jalna Blvd., London. A chicken and roast beef dinner will follow at 6 p.m. in the church hall. All are welcome. (\$45.00pp).

Henry Dormer Assembly 0861 are hosting the event. Honour Guard in the 'new' uniform are encouraged to take part.

With the current mood in our country and the uptick in needing to show patriotism, this is an opportune time to join the '**Ceremonial and Patriotic**' arm of the Knights.

Please contact FN Jerry Marcotte for further details or to inquire about joining our fine Assembly.

One Member's (Sir Knight's) Opinion....

The current political reverberations from our neighbor to the south that ...”we *should be pleased to be absorbed as ‘the fifty-first state’* and a part of them, has launched a widespread outpouring of patriotism and has fostered a new unity across our land and with our generally *‘mild mannered’* fellow Canadians. We know that our GDP is a fraction of theirs but we have something that is of much greater value which is the peace we enjoy and the multi-culturalism of accepting all. Seeing as to how the Fourth Degree is labelled as **‘the patriotic arm of the K of C...’** it behooves us to ponder how our patriotism can be linked to the actions within our Assembly.

Some are already speculating that greater interest and participation will occur at such events as our local Canada Day Parade not to mention the numerous Remembrance Day Services where we can honour the contribution made by Canadians and which all can be proud.

The successful **‘regional K of C float’** that debuted this past Christmas is earmarked to become an outstanding entry in local Canada Day parades.

The float’s high-quality colored banner features the Canadian flag and a graphic of our **Fourth Degree Uniform**. What a great opportunity to make this a signature entry by its being accompanied with a large contingent of Honour Guard that enables us to link the image of the ‘new’ uniform with a group that is proudly patriotic and displays goodwill to all in the community. Going forward, our acceptable navy and deep grey accompanied with a shining and classic sword will spell... K o f C !

So, let these times be a catalyst to us expanding the ranks and participation of our **Honour Guard** and **Color Guard** as we gear up for a large presence showing our gratitude and pride in our country.

So, as a third or fourth degree knight in good standing, why not stand up with us and join the **Fourth Degree Honor Guard** and let the public know that the Knights are confident in their faith, and are strong and active in the community!

As stated in the FN article in this issue, we may soon be at ten in the Honour Guard of our Assembly.

At our February Meeting, I had occasion to circulate a small, full-color hard cover booklet that the family of the late **SK Jean Campeau** presented to his wife Anita on a **motivational** reminder to those in the Honor Guard!

Faithful Navigator of Assembly 1789

‘Assembly Proud’

Polos and Fleece Jackets or Tee Shirts

Recently a second batch of dark blue short sleeved polo shirts with a pocket as well as dark blue Microfleece jackets

were received from ***Busy Bee Embroidery***. The accompanying photo is of the fleece jacket and it shows the colorful embroidery bearing the Fourth Degree Logo and the name and number of our Assembly. As well, a phrase stating ... ***'The Ceremonial and Patriotic arm of the K of C'*** serves to remind the public of the focus of the Fourth Degree.

A sincere thanks to the SKs who have equipped themselves with one of these '***public relations***' garments.

Additional orders can be processed. Kindly let FN Jerry know if you might be interested. They are available to members at their cost to us.

As I recall, these are the members who have purchased: Norbert Lockwood, Jack Regnier, Eugene Trepanier, Ron Barnhard, Carl Baillargeon, and Jerry Marcotte. Gary Smith ordered a t shirt.

In future orders, and in light of the current interest in standing up for Canada, what do you think of including a Canadian Flag on the garment?

... *Jerry Marcotte*

The Fourth Degree was founded 125 years ago ... on Feb. 22, 1900

On **THURSDAY, Feb. 22, 1900**, in honour of George Washington's birthday, 1,100 K of C gathered at the first **Exemplification** at the Lenox Lyceum in New York City. The purpose of the new degree was to create honour guards that could attend church and community events so as to enhance the patriotic, fraternal and charitable tenets of the Order.

In 1900, the attire was a tuxedo with tails, with a white shirt and bow tie, black top hat, a social baldric and a ceremonial sword. In 1940, it was changed to the '*nautical themed*' attire which included a black tuxedo, a plumed chapeau, a cape, a social baldric and a ceremonial sword.

In 2017, the uniform was modernized to consist of a blue blazer with the Fourth Degree emblem on the left front pocket, on the tie and beret, along with a white shirt, dark grey pants and a ceremonial sword. In Canada, the sword sash has a red stripe whereas in the U. S. it is a blue and red stripe.

The photo shown below, is that of the late **SK Jean Charles Campeau** (June 16, 1928–

Oct.29, 2024) in St. Boniface, Manitoba, prior to his marriage to his wife Anita. The photo depicts the original Fourth Degree uniform. The photo hangs in the room of **Mrs. Anita Campeau** who expressed several times how much she and her late husband SK Jean enjoyed the Knights of Columbus. When SK Jean moved to the Windsor area, he became engaged in and was an organizer for Knights of Columbus insurance.

SK Jean was proud of his French heritage and was a member of Conseil St-Jérôme and St-Jérôme Church.
