From the Pastor's Desk

Greetings from your new administrator! My name is Fr. Robert Butz. Originally, I am from Iowa. As a result of my father's job, our family relocated many times, including the Madison area for five years. During my college years, I felt the Lord calling me to the priesthood. After much discernment, I entered Mundelein Seminary for the Diocese of Madison. I was ordained in the year 2000 at St. Raphael Cathedral by Bishop Bullock. My assignments have taken me to the Cathedral and St. Thomas Aquinas as an associate. As a pastor, I have served at Corpus Christi, Boscobel; St. Olaf, De Forest; Nativity of Mary, Janesville; and St. Christopher, Verona. There has been a lot of moving in my 23 years of priesthood!

One of the things that you will pick up from me is my love for history. Human history is really one long story. Our pilgrimage on this earth is really about, to quote Viktor Frankl, "man's search for meaning." For us as Christians, life is not just a random series of events. Some figures, like Napoleon, thought his lot in life was power and glory. He made an impact in the lives of many Europeans, but it happened only through force. His goal was centered on himself.

As Christians, we believe that Jesus is Lord. He is the Lord of history. Through all the good and the bad, God has a plan, meaning for the human race. There has been good and bad in our history. We are called to faith in the Lord, that He is leading us to where we need to be. Sometimes, there is uncertainty and lack of clarity, but we have Christ, and that is enough.

Blessings to you all and safe travels this coming 4th of July!
